Times Are Changin'

The '90's have already seen a great deal of change in the World Arena with the dismantling of the Soviet Union and the approaching democratization of Eastern Europe. Even here at Davidson we're witnessing a great deal of change. Nothing as revolutionary as the above, but none the-less CHANGE. No

more freshmen and upper classmen bonding before 3:01 club, soccer played under the lights on Richardson Field, new security phones in the middle of Patterson Court and much, much more. For these reasons the Quips and Cranks staff has chosen CHANGES for our theme. Remember how in '91-'92 times were 'a changin'.

RESISTANCE
of Students

SAY NO! to
FANTASIA!

- 1) Gail King "protests" Fantasia.
- 2) Spiked hair, the new rave on campus.
- 3) Phil Lisi — Davidson 90210

Controversy

During the fall, some students attempted to CHANGE attitudes and situations here at Davidson. Many students complained about offensive fliers for several Patterson Court parties. Students also worked to establish a chapter of F.L.A.G., which seeks to promote equal rights for all and to educate the public on subjects such as AIDS. These issues were debated both in casual conversations and through the Davidsonian. Finally an informal forum was held to discuss these issues.

Students Criticize

ch . . . ch . . . changes

Davidson has slowly changed the stereotypes of our student appearances. We have a variety of styles at Davidson. From Deadheads to jocks, from blacks to Indians to Spanish to Yugoslavs. You name it, it seems Davidson's got it these days.

2

3

Changin' Faces

Over the summer, RLO and the Physical Plant gave our campus a facelift. Two new senior apartment buildings were completed including elevators, a new and improved laundry room and a larger conference room. The Belk parking lot was re-arranged to prevent a lot of backing up! We became introduced to new key locks on several dorms. There are light posts everywhere on campus for our safety and in January they broke ground for a new Arts Building. There is no telling what changes we are in for over the next few years.

3

- 1) No more poll dancin'.
- 2) Big borther's watching who enters your dorm.
- 3) New building "D"!.
- 4) No more traffic jams in Belk Parking Lot.

4

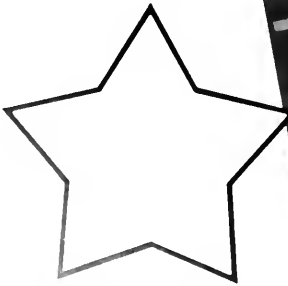

STUDENT LIFE

Fun in the Moonlight

Sorry you poor little freshmen, but no Patterson Court play for you. But, if you can't go to Patterson Court what is there to do? Well, even though the freshmen were not allowed to set foot on the Court property for some weeks, the Union and the Patterson Court houses set up a little shindig for the freshmen and their fellow Davidson students on Richardson Field.

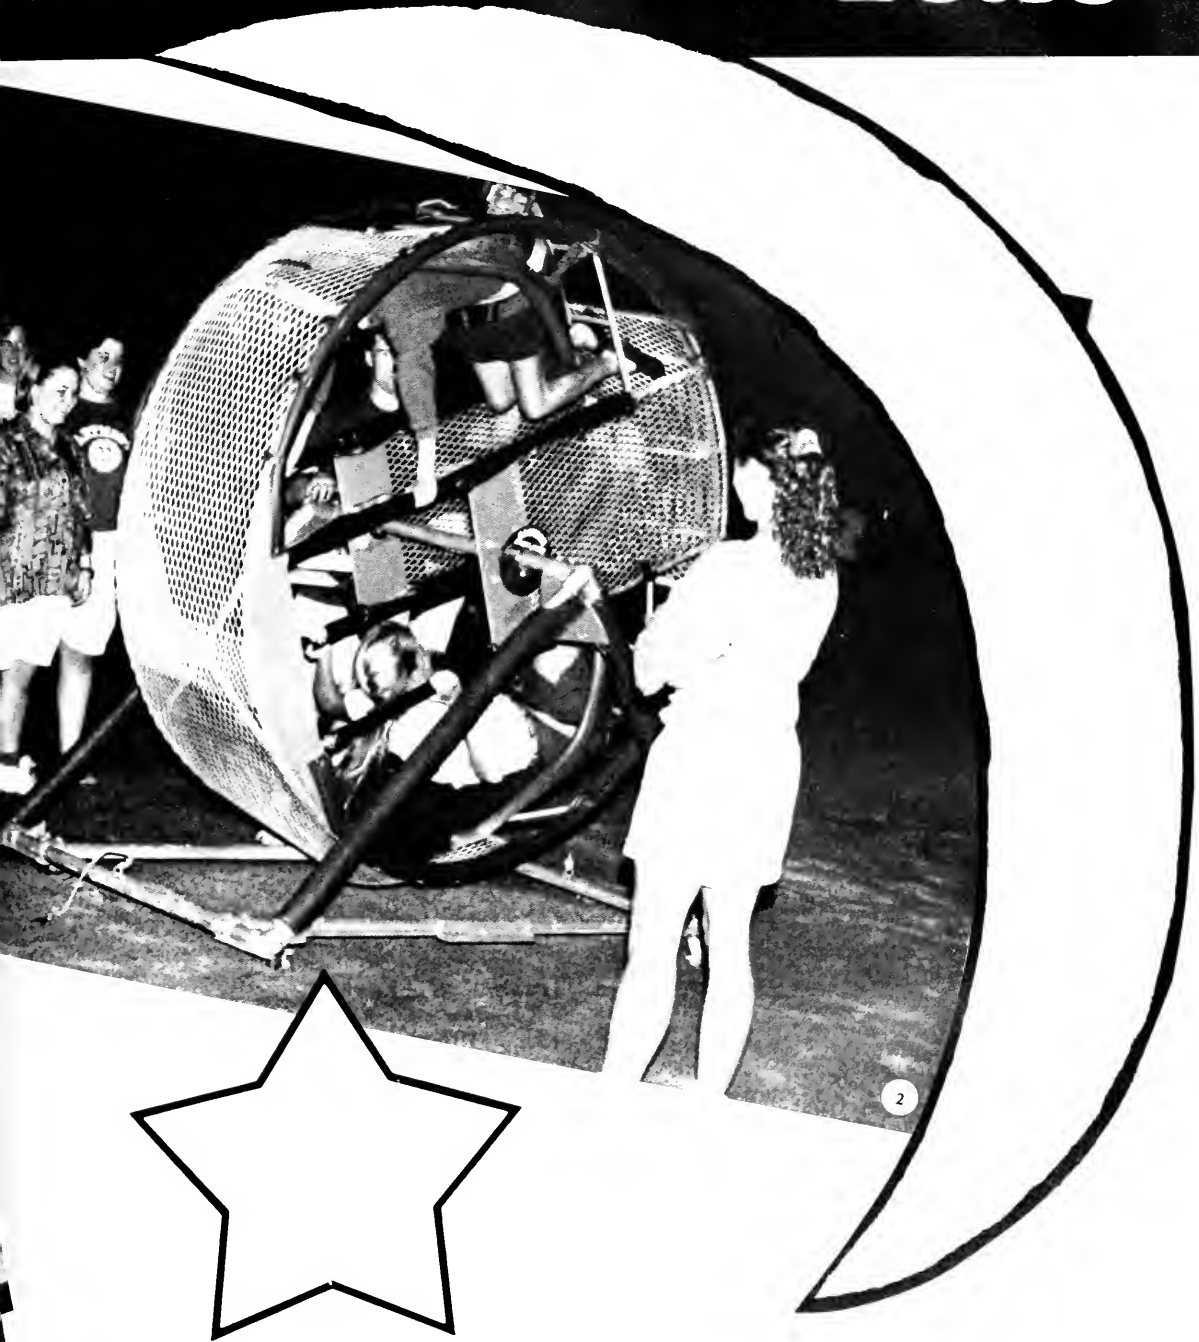

The name of the event was the annual fall party, Lunar Luau. Each house set up its own booth or game around the football field while the Union also provided several entertainment and food booths. As students made their way around the field, they dunked upper-classmen at the dunking booth, shot each other with paint bullets and tossed eggs across the width of the football field. They could even take a wonderful flying ride in circles after having consumed hot-dogs, snowcones, candy and cotton candy. All in all it was a fun night under the stars for the entire Davidson community.

The upper-classmen as they prepare snowcones for the freshmen. Friends enjoyed twirling around

NAR

LUAU

HOMECOMING

1. Who will it be? Three of the Homecoming princesses patiently wait with their escorts to find out who will be the Homecoming Queen.
 2. There she is — Jackie Garberry, the Rusk House representative, the new Homecoming Queen and her escort Chuck Scofield.
 3. Hello, everyone! says the Davidson Wildcat as he marches with the band in the Homecoming parade around Patterson Court.

Memories for Old and New

Everyone has been to a Homecoming and though the festivities may seem the same each year, there is continuous change. At every homecoming there is a new class that has never been here before and an old class that returns for the first time. At Davidson, a family school, there are generations of families and faithful who return to their alma mater to see old friends, watch the traditional football and most of all just remember all of the good times.

This year new memories were made for those present at the Homecoming festivities. Viewers enjoyed a spectacular victorious football game against Charleston Southern and grooved to the halftime music of the West Charlotte marching band. Also the Homecoming parade around Patterson Court with each princess and her escort displayed in the fancy cars, added to the Homecoming excitement. Homecoming 1991 certainly made new memories for Jackie Carberry and her escort Chuck Scofield, representatives of Rusk House, when Jackie was announced the 1991 Homecoming Queen. The Patterson Court semi-formals also added to the great times of Homecoming. Just as this year brought changes in people's lives as well as to the college, so next year's Homecoming will also welcome a new class and bring home an old one to add to the memories of Davidson.

- 4) Singing Sweetly, Laura Malenas leads the crowd in the Star Spangled Banner.
- 5) Go Cats! Shout the cool Davidson fans as they watch the Homecoming game.
- 6) Hurrah, let's get him! The Davidson cheerleaders psych up the Davidson fans in the bleachers before the game.
- 7) Here we go! Ready for victory the Wildcat team charges out onto the field.

A Little International Spice

Each year Davidson enjoys a little spice from all different cultures. This spice is the International Festival held in the Colege Union, usually on a fall Saturday afternoon. The International Committee coordinates the Festival as each student on the committee sets up a stall representing his or her country. They represent their countries with food, clothing and pictures of various places. Some stalls set up games to teach participants about the cultures. Also the Commons sponsors a meal and there is always an interesting show to watch. Usually most students, faculty, children and people from the community come to share in the festivities. As Anjali Sharma commented, "The festival was really successful this year. We had more countries represented this year than ever before." Knowing about one's own country is one thing but knowing about other countries is also important. The International Festival is a great attempt to teach people about other countries around the world.

...from different countries join together in
...and students getting Americanized. 3)
...the name as she tries to get a little
...but we're all alike is the theme of the

INTERNATIONAL FESTIVAL

HALLOWEEN

No Bad Spirits Here!

Halloween, the night of the spirits, certainly is an unusual night at Davidson College. Very rarely do you find grown people dressing as unusual characters and acting very strangely unless, of course, you're at Davidson College on Halloween Night. Perhaps it is one of the few nights when Davidson students put away their stacks of books and homework assignments to go out and have some fun. With parties sponsored by Patterson Court houses, students use their incredible imaginations to come up with original and hilarious costumes in order to party the night away. Also many students went to see *The Great Pumpkin* and the movie *Halloween* at a party sponsored by the Union. There were definitely no mean spirits at Davidson on All Hallow's Eve.

- 1) "Ahoi Mates!" said the pirates who've emerged from their ships for halloween night.
- 2) Blair Patterson and friends model their Halloween costumes at the "American Halloween" party.
- 3) "Rasta-man" Billy Smith and "Dork" Liz Schaefer enjoy each other's company at the SAE party.
- 4) Lee Pennington as Mechatrocles and Greg Patrick celebrate Pig's Haunted Woods party.
- 5) Brock's Melton shows off his sexy bod.
- 6) Third Rich women ready to scare some people.

Phonathon

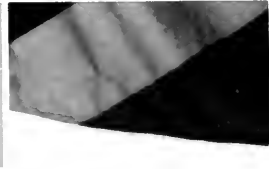

Ring! Ring!

During two weeks in the middle of February, over 500 Davidson students participated in the 1992 S.G.A. Phonathon. Several members of each Patterson Court house, as well as many freshmen and independents, called Alumni and students' parents in an effort to raise money for the Davidson Annual Fund. The total number of pledges received was 1,850. These included people who said they would give but did not state a specific amount. The total amount of money raised was around \$168,000. Rusk, Fiji and Spencer called the first night of the Phonathon and solicited the most amount of money of any night at \$32,755. SAE's total of 367 pledges was the highest pledge total for the two weeks.

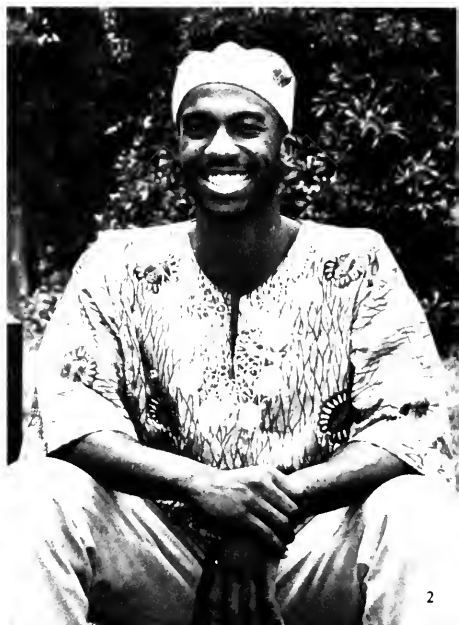

Although this year's Phonathon did not generate as much money as in years past, it was more effective in reaching people who might not have given in a while to pledge money to Davidson. All of the best alumni prospects had already given in the fall through other fundraising efforts, so this year's Phonathon was analogous to a clean-up campaign. But overall, with the help of several local celebrities in handing out balloons to callers and the opportunity to win various prizes, students had an exceptionally good time helping to raise money for the college.

1 KA pledges enjoyed the pizza. 2 It's too loud in here! 3 Scott Bryant tries to study and talk on the phone. 4 He must have racked up. 5 Ruskies had been there TOO LONG. 6 Brad Johnson and Marya Howe at the head table. 7 don't think this caller is doing much for Rick!

Hangin' Out

In between classes, Davidson students enjoy spending time in various places. There's the lake during the spring. During the fall and winter students enjoy going to the Union cafe or the TV room to sit and talk to friends. The Halls of Chambers are great places to stop and chat, not to mention Vail Commons and of course the library! Everyone thinks that the library is for studying, well not at Davidson College. If you can't make it down to Patterson Court the next best place to go is the library. Of course there's always the eating houses and fraternities to go and socialize the night away. If they are really crazy, students will go out on a LIMB (literally) and find unusual places to chill out and procrastinate.

1. Sekon Won likes to hang out where there's food around
2. Monica Lide and Christy Knight spend a quiet night at home on the telephone
3. Girls night out down at RUSK.

SOCIAL PLACES

The 'Rents

Parent's Weekend is a very exciting event for Davidson. Parents are able to come and check on their children, and the students welcome the free meals and company. There were several major events for the parents during the weekend this year. First of all, there was fall Convocation when the Seniors got excited to put on caps and gowns for the first time. The speaker this year was Mr. Pritchard, who's son Paul is a Davidson Senior.

There were several major sporting events for everyone to enjoy. On Saturday afternoon there was a football game, and a field hockey game. In the evening, the Volleyball team held a scrimmage. The Women's soccer team played under the lights in Richardson field for their last home game, and the Men's soccer team finished off the weekend on Sunday against Wake Forest.

After quality bonding time with parents, many students had become irritable and ready to go out and PARTY. That's when the "Put your parents to bed" festivities begin. Then enjoying crawling out of bed to go to church on Sunday morning and hugging mom and dad good-bye.

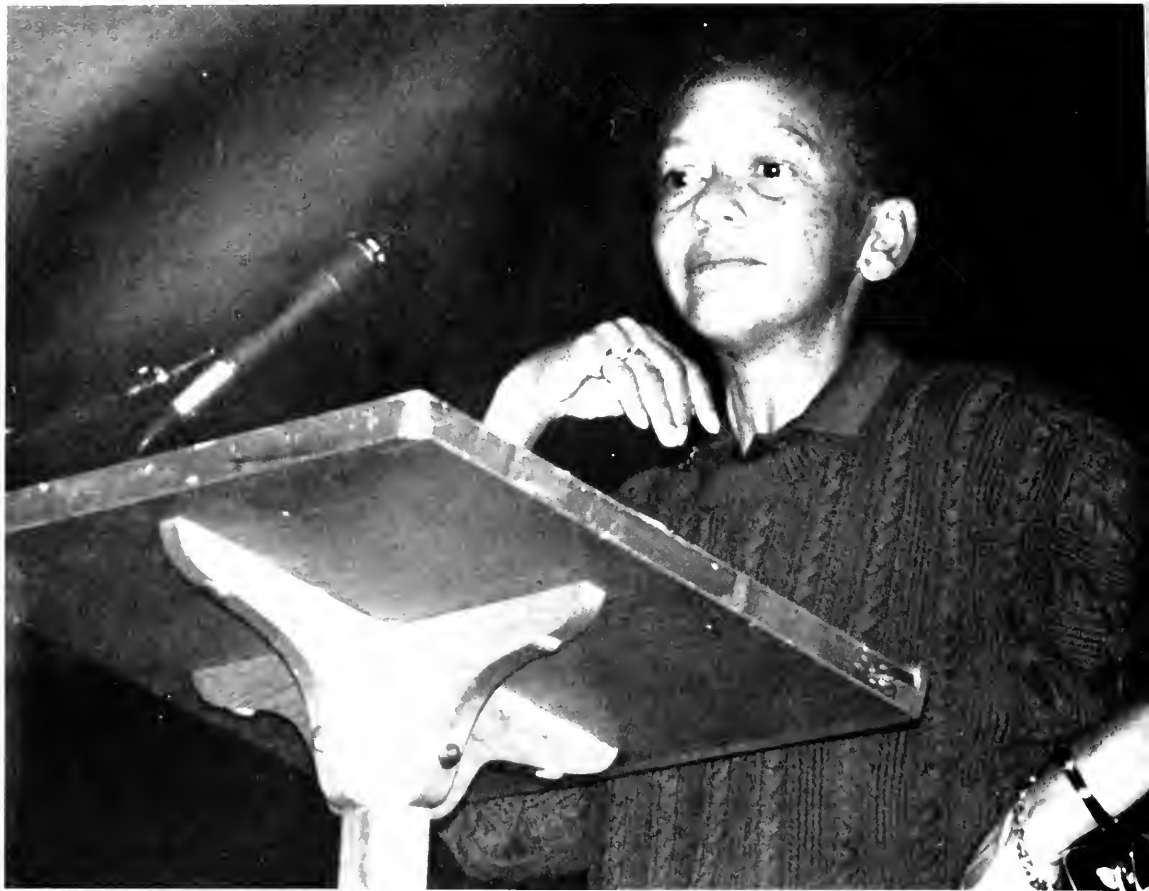

1 Senior Women's Soccer players sadly end their collegiate career 2 Robert Harrison and Kevin Asbill have put the 'Rents to bed' 3. Holt Hathaway and Paul Rybiski at Convocation 4 'Go get 'um Cats! 5 Parents enjoyed drama as well during Parent's weekend 6 'We're serious now, but just wait until the real thing'

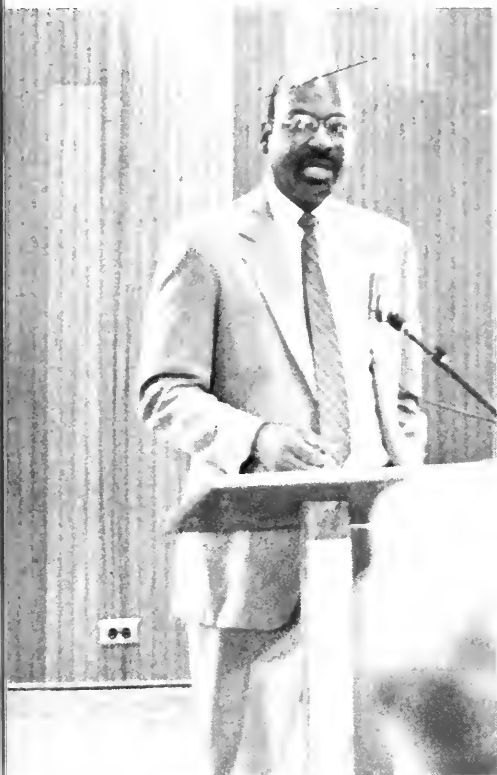

PARENTS WEEKEND

oniel Barber, Lance Stell, Nikki Giovanni, and Ishmail Conway are included here.

Speakers

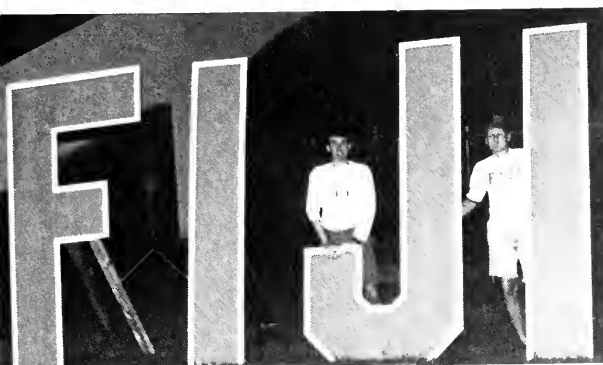

Throughout the year, Davidson organizations sponsor many speakers to come and discuss or lecture on various subjects. They speak on relevant issues such as political affairs, women's issues, psychology, racism, multi-culturalism and various other topics that are important today. Groups which sponsor speakers include the Union, the Speakers Committee, Women's Issues, various academic departments, and ROTC.

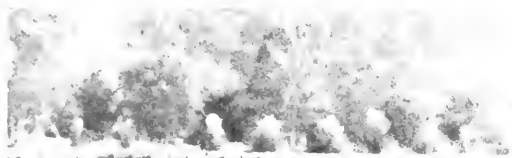

This year was particularly important for outside speakers to come discuss multi-culturalism with the campus because of the tensions we experienced. For instance, Maura Cullen and Grier Wilson held workshops and lectures on tolerance and multi-culturalism. We also had several poets, including Sharon Olds and Nikki Giovanni visit Davidson. General Glausson spoke about military issues, and Leonel Barber talked about the decline of the Soviet Union to mention a few of the speakers.

By bringing in "outsiders" to speak with students and faculty, Davidson helps to broaden out perspectives.

JOHN O. REYNOLDS, III 1970-1989

John O. Reynolds was killed in a car accident several weeks after the end of his freshman year at Davidson. While many who read this will not have had the pleasure of having known him, he touched the lives of many. He is probably best remembered for his easy going personality combined with that rare quality of a real Southern gentleman. He was the sort of friend one could call at three in the morning with a problem and he would come. Although he had not officially declared a major at the time of his death, John O. desperately want-

ed to be a surgeon. He was a member of Kappa Sigma and a resident of Salisbury, North Carolina.

Many felt a great loss when John O. died and he will be long remembered by the Seniors. To keep his memory alive at Davidson for years to come, we are honored to dedicate the 1992 Senior Class Gift to the memory of John O. Reynolds in hopes that others might understand the effect he left on us all. He will always remain in our hearts.

Class of '92 SUPERLATIVES

Most Likely to:

be the first to contribute to Davidson:

Glenn Kinken & Jackie Carberry

make the first million:

Billy Devens & Cammie Covington

end up in jail:

Powell Spears & Andrea Rogers

Tom Bledsoe & Sky MacLeod

be the first to get married:

Bryan Bayles & Heather Brackbill

be the first to have a child:

Jebbo Barnes & Briggs Holmes

get divorced:

Paul Rybski & Heath Hardage

live in Davidson:

Ashton Lloyd & Debbie Layman

be a college professor:

David Thompson & Mary Bryan

save the Rainforest:

Ben Guilmore & Melissa Payne

be in the White House:

John Howell & Fran Fierro

be on the cover of the National Enquirer:

Travis Thomas & Tera Sanders

follow the DEAD:

Stewart Holt & Skye MacLeod

win the Nobel Prize:

Ketan Bulsara & Alice Hicks

have a job on May 10:

Sterling Freeman & Mary Russ

JUNIORS

Juniors See Change at Home and Abroad

Commonly, it is not the junior year but the freshmen year which is most often associated with facing changes. As freshmen you have to adjust to life away from home and as seniors you have to adjust to the thought that shortly you will be entering the "real world." The junior year, however, should not be overlooked as coming and going uneventfully without changes of its own.

As it is common at Davidson, many juniors elected to spend either a semester or the whole year abroad. Members of our class ventured from the metropolis of Davidson to the far corners of the world. Classmates of ours were scattered all over from Britain and Italy to Russia, Africa and India. They were exposed to numerous political and cultural changes. (Just ask John Rowe about zebra meatballs!)

Although our classmates' departure left our class smaller in number, many juniors commented that this year they were able to grow a lot closer to their fellow juniors. One change which the remaining juniors faced was recognizing that many of our wild and crazy classmates were now masquerading as wise and responsible hall counselors. Though these hall counselors may have impressed people with their new-found maturity, they now seem even wilder than ever. But, maybe that's what a year of living with freshmen will do to you.

So, has the junior class changed much this year? Sure we have — we are now more mature, independent and responsible and are ready to face our senior year. (NOT!)

Would you want your freshman to be influenced by this man?

India Experience Changes Perspectives

Spending the night with our Indian host families ... riding camels and elephants ... visiting Hindu temples ... being challenged at life in so many new ways ...

The fall of this year fourteen Davidson students, a student from Bernard College and Dr. Job Thomas went to India for the semester. They spent much of their time traveling, exploring and meeting various people. This was well balanced by a two and a half month academic program of excellent speakers — philosophers, teachers, social workers and well-known religious figures.

It's hard to relate an experience in a culture completely different from our own. The participants of the trip found it wonderful how many people are interested in their semester abroad and they have had quite a challenge to try and do justice to such an incredible experience. Last semester they were presented with the challenge to look at every day life in new ways; to grow and change ... to live in appreciation of everything we have and at the same time realize how many people in the world are just fighting for survival. Erin Lee, a student on this trip, said, "I

am happy that Davidson encourages participation in such a wide variety of experiences abroad. Everything we did and saw last semester will continue to influence our lives with special friends, new perspectives and unforgettable memories."

These students visit the hill region of India while traveling to various parts of the country.

Juniors Lead InterVarsity

InterVarsity is a way in which juniors have recently assumed leadership roles on the Davidson campus. There are six juniors who serve in different ways on the coordinator team. Geoff Bradford is the President and is also in charge of leading music and worship. Jennifer Brown is the Outreach coordinator, which means she tries to get people interested and involved in InterVarsity. Kelly Davis has been given the opportunity to head up a new facet to InterVarsity. She is in charge of prayer and leads the group to pray for important issues concerning the campus. Lisa Jacobson and Alan Verm have taken on the large job of Small Group Co-coordinators. They coordinate small group Bi-

ble Studies for the men and women of Davidson College. Susan Langford is the Social and Service Coordinator. She plans the fun events apart from Large Group and organized weekly service events into which the members of InterVarsity can plug themselves. These juniors have varying roles in InterVarsity but they all strive toward the same purpose: "We believe that it is God's purpose to bring all things together in Christ and that Christ has assembled us to make disciples of all the nations. Therefore through both our words and our actions, our purpose is to share and encourage growth in Jesus Christ as the Bible reveals Him and as we experience Him in our lives."

Junior Alan Verm is poised and ready to coordinate InterVarsity small groups.

SHOC Increases Awareness

The Student Health Options and Concerns Committee was established in the Spring of 1991 with the general purpose of promoting health awareness at Davidson. It is designed to serve as an advisory committee to the Infirmary as well as an educational resource for the student body, especially addressing four areas of specific concern: Sexual Health, Alcohol and Drug Awareness, Eating Disorders and Physical Fitness and Nutrition. So far, the eight student members and two faculty/staff advisors have handled ambitious agendas to make the committee effective, visible and available for Davidson students. SHOC's outstanding activities and accomplishments in 1991 included: planning anti-stress and fat free study breaks, writing awareness articles for the Davidsonian, creating and distributing the first issue of a biannual newsletter called "The Student Body," helping sponsor Alcohol Awareness Week and advising plans for the new Student Health Center. In spring 1992, SHOC will focus on organizing Condom Sense Week which will include having guest speakers, contests, study breaks, an F.A.C. and handouts to promote awareness about sexual health and responsibility. In the future, SHOC aims to establish the foundations for a Peer Counseling program to be centered in the new Student Health Center. SHOC is working along with Davidson's Counseling Services towards the goals of providing professional guidance and keeping students informed of other reliable options to handle the health concerns which are dominant at Davidson.

SHOC Co-Presidents David Wright and Catherine Milligan set goals for the spring semester.

Juniors Take Initiative

The leadership of the Women's Club Soccer Team exemplifies the initiative Juniors are taking in campus activities. The thought of not having a team this year spurred Junior Amy Alston to assume the responsibility and leadership of the team and to convince Junior Tom McDermott to share his soccer experience as Coach of the team. Due to their dedication and organization, over thirty Davidson women enjoyed the competition and comraderie of Club soccer. This year's team attracted first-time players,

former high school players and former Davidson Varsity players. The team practiced twice a week and played games against other colleges and in a Women's Soccer League in Charlotte.

Only through the hard work put forth by students like Amy and Tom can the rest of the student body enjoy the benefits of the many extracurricular activities offered at Davidson. As veterans of the Davidson scene, many Juniors are now accepting this responsibility.

Beaufort Plus 1991

This fall 18 Davidson students, under the supervision of Biology professor Dr. David Grant, spent ten weeks at the Duke University Marine lab in Beaufort, North Carolina. While in Beaufort they completed three courses — an Invertebrate Biology class, a seminar in The Current topics in Marine Ecological Literature and an independent research project. After Beaufort the students completed a group investigation in Applied Zoogeography which included stops in Sapelo Island, Georgia; Tampa-St. Petersburg, Florida, The Everglades; and Layton, Florida. The semester holds many memories for all of us . . .

Reliving the Freshmen Experience

Instead of traveling to Germany, India or France, a small group of juniors dared to remain on campus to guide the freshmen class through their first year of life at Davidson College. The freshmen on this exciting excursion were not the only ones to face new challenges. The planning and training of the Hall Counselors began before the freshmen arrived. When the freshmen are finally settled in and the parents have departed, the hall counselors begin by enthusiastically expounding on mixers, the Freshmen Regatta, the Cake Race and all of the other fascinating events unique to the freshmen experience. Once the excitement of orientation dies down, the Hall Counselor's job really begins: hall meetings, big brother/big sister match ups, hometown honey break-ups, homesickness, academic troubles, freshmen roommate bonding, athletic events, flickerball teams, hall t-shirts, First Night Down, self-selection, locked out freshmen, hall maintenance, hall dinners, etc. The personal rewards of getting to know each freshman and sharing in their daily joys and victories by far outweighs the strains of 3am wake-up calls and the transformation of the Hall Counselors' room into a hall lounge. Although we haven't seen the Taj Mahal or the Mona Lisa, this year-long experience has taught us much about ourselves, relationships and life.

Hall Counselors Mary-Elizabeth Coley and Kelly Davis show freshman Megan Snyder how to juggle homework, socializing and eating.

Changes In Habitude, Changes in Aptitude

No longer the "New Kids on the Block," the sophomore class had to get used to not being the Baby Wildcats and not being pampered anymore. One of the harsh facts of reality they faced was the decrease in the number of introductory courses left to take. Sophomores had to move on to higher level classes which also brought about an unwelcome increase in the work load. On the social scene, there was a new crop of fresh faces to become familiar with and

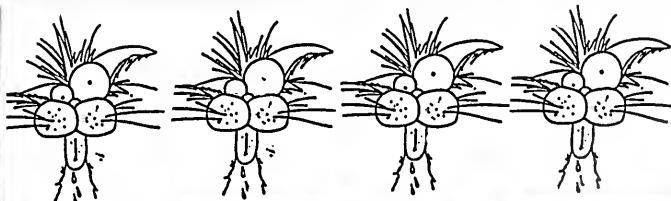

sophomores had to get use to being Old Hat. Along with this increase was an rise in stress and decisions to be made. Some of these stresses included whether or not to go abroad, choosing a major and the degree to which they should get involved in extracurricular activities. But in spite of all these stresses, what the sophomores didn't realize was that this was only the beginning!

We Believed in the Class of '94!

One of the many strengths of the sophomore class is its athletic ability. Sophomores are active on all of the varsity teams and many play an extremely integral part. One of the best examples is the football team. The sophomores were the turn around class for the team with more than half of the starters on both offense and defense being sophomores. Starting quarterback Richard Howell is a sophomore as is punt and kickoff returner Alden Smith who is ranked nationally for Division III football.

The men's basketball team returns five sophomores; three of these players start

and two are quite active. Three sophomore girls are strong players on the volleyball team. The goalies for women's soccer and field hockey are sophomores. Emily Coleman, field hockey goalie will be competing in the nationals for that sport.

Men's and women's tennis have two and four sophomores respectively in the top six. Sophomores hold three out of the eleven starting positions in men's soccer. Sophomores also contribute to wrestling, track, cross-country, swimming, golf, baseball and the new women's basketball team.

To JYA or not to JYA

To JYA or not to JYA, that is the question for many sophomores planning their junior year. Major and scheduling problems inhibit some from going abroad while others opt for hall counselor positions. However, spending a few minutes with a past JYAer can convince anyone of the advantages of going abroad.

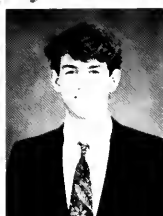

While the most popular places of study are Montpellier, France and Wirzburg, West Germany; many people have travelled to such exotic places as Kenya, Australia and New Zealand. So whether or not you decide to go JYA, consider the options to "broaden your horizons."

FRESHMEN

WELCOME FRESHMEN

Andy Antonelli begins to make Belk feel like home.

Nothing could have possibly prepared me for the day my parents drove away and left me at Davidson in August of 1991. I finally realized that, from that point on, my mother wasn't going to take care of me when I got sick. My father would no longer check out the guys I go out with. And whenever I would go back to "their house" in Spartanburg, it would only be for a visit.

But, feelings of homesickness and nostalgia aside, there I was, living on a hall with 30 girls I did not know, and sharing a room the size of a shoebox with, of all things . . . A Yankee!! It didn't take long, however, to get to know those girls, and to get to love that shoebox, and even the Yankee.

After I had gotten to like the people I would live with for the next year and made a lot of great friends, there was still much I needed to know. Like, for instance, what is T-Street and B&E? Where are the Senior Apts.? Does Dr. Polley take attendance? What does CHAL stand for? Before the end of the first week, I found the answers to these and many other questions. CHAL, by the way, contrary to popular belief, stands for Come Hang At Little (dorm).

HALL BONDING

What is the biggest change you faced coming to College? Here are some responses from the Freshman class:

1. living with a roommate;
having 20 year olds boss me around
2. having 20 new sisters;
managing money
3. free beer;
staying up until 2am each night
4. actually using the library;
walking to parties
5. getting myself to class;
no more home cooked meals
6. miss that feeling of "home";
not having classes from 8:30am
7. being low man on the totem-pole;
not having to check in with
mom and dad
8. sharing a bathroom with 25 people;
actually going back home
9. Tuesday and Thursday morning hangovers;
making new friends
10. being so far from home;
the Work Load

ORIENTATION

It's a new place and a new era for the freshmen during their first week at college. The summer is over, old friends have gone their own directions and high school is in the past. It's a new life and a new beginning and though this can be exciting, it's also frightening. In order to make this transition a bit easier the freshmen go through an Orientation which lasts several days. Throughout this time period they took tours of campus and were formally briefed on the Honor Code and the Code of Responsibility. Not all of orientation was serious, some of it was fun and games such as a people hunt, mixers, a cake race and a regatta at the lake campus. By the end of Orientation and through the following weeks the disoriented freshmen were transformed into a knowledgeable, close knit group of Davidson College students.

Hall Mixers

After the freshmen got to know their roommates and hallmates, it was time to move on to the halls of the opposite sex. For the first few weeks of school when Freshmen were not allowed on Patterson Court, the hall counselors set up hall mixers. These mixers allowed the freshmen to meet potential friends or even dates.

The more popular hall mixers were My-Tie and Physical Graffiti. Tacky Mixers were a hit too. During My-Tie, the guys each gave a tie from which the girls would chose. The tie they chose was the guy they would talk to during the mixer. Physical Graffiti was basically freshmen and women attacking each other with markers. Some of the more interesting hall mixers were Bed Time Stories and "My favorite beach."

However, as fun as the hall mixers may sound, they had to soon end. It was time for the Freshmen to make their appearance on the court. At least, they went knowing a larger group of friends from many halls.

Third Rich congregates on the Ice.

Roommates

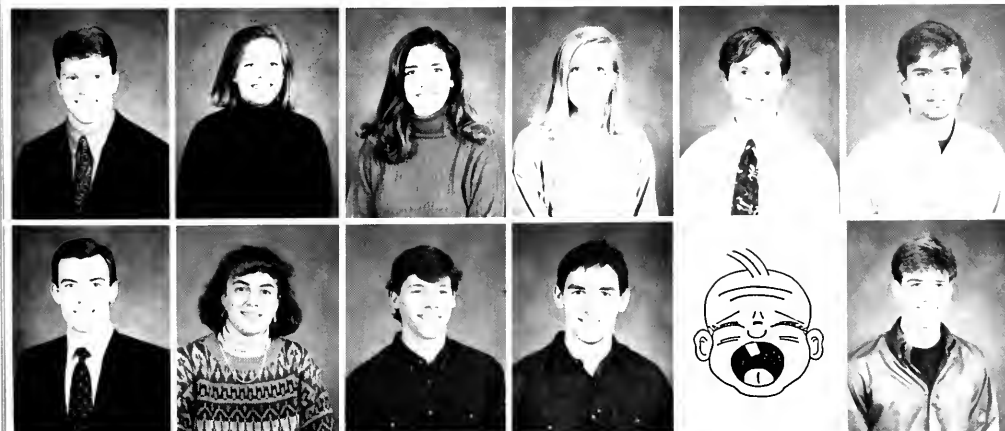

Cath-rhen are
psyched about
rooming on first Rich.
(Whose missing from
this picture?)

The idea of a roommate was a new but welcomed one for most of the freshmen this year. Questions ran through our minds, but by the first few weeks these questions were answered and we found friendship. Much effort was put into pairing freshmen with a compatible roommate. For most of us this effort was successful, while others were not as lucky. High School rivals have been paired, small conflicts between southerners and yankees and some got more than they bargained for when they landed in a triple. In general though, the effort did pay off and we have found great friendships as well as great roommates.

First Night Down

During the first four weeks of school, the freshmen, who were prohibited from the court, spent time getting to know each other while anxiously awaiting the first night down. Finally September 20th came and at 3:01 they descended upon the court. The girls went straight to Rusk where they had a lock-in and the guys went to SAE and waited for the girls to show up as they listened to the reggae band. It was a beautiful fall afternoon and everyone was there to celebrate and welcome the freshmen to the court. Parties continued into the night with a BBQ at KS and another party at Sig Ep. All in all, first night down was a great success and the Freshmen were excited to be allowed to attend the parties they had heard from their windows for the first six weeks.

These Fresh-women are ready to finally get down to the court.

Above Corey Thompson anxiously awaits 3:01. Right Marty convinces Steve and Jay that they should go down to the court with him.

Featuring . . . Committee for Women's Issues

The Committee for Women's Issues, a co-curricular committee of the Union, addresses issues that affect women on global, national and local levels. Through the committee, women of Davidson College find personal support as well as a public arena for discussion and education on topics that affect women. Nikki Giovanni, Brenda Verner and Sharon Olds were among the nationally renowned speakers that the committee helped to bring to Davidson. Forums, movies and events such as "Take Back the Night" provided a variety of educational tools that allowed the committee to enlighten the entire campus about problems that confront both women and men. The committee played a critical role in the programming of both Solidarity Week and Women's Month. Membership and involvement with women's issues has grown steadily in recent years; if recent history is any indication the Committee for Women's Issues

will only grow stronger and more effective in the future.

MUSIC

Davidson provides a variety of opportunities for musicians here on campus. The Concert Choir performs regularly at official school functions such as during Convocation and Graduation. There is also the Jazz Ensemble which played concerts and even at Widdet Basketball game. There are a variety of other programs which include anything from individual piano lessons to Operettas.

Jane Snyder leads a Chamber Music Ensemble which is broken down into various groups — quartets, trios, etc. They each play one concert per semester. Some Davidson students participate in a Renaissance Ensemble. Throughout the year, each of these groups performs for parents, guests, and students. We all enjoy the Davidson music.

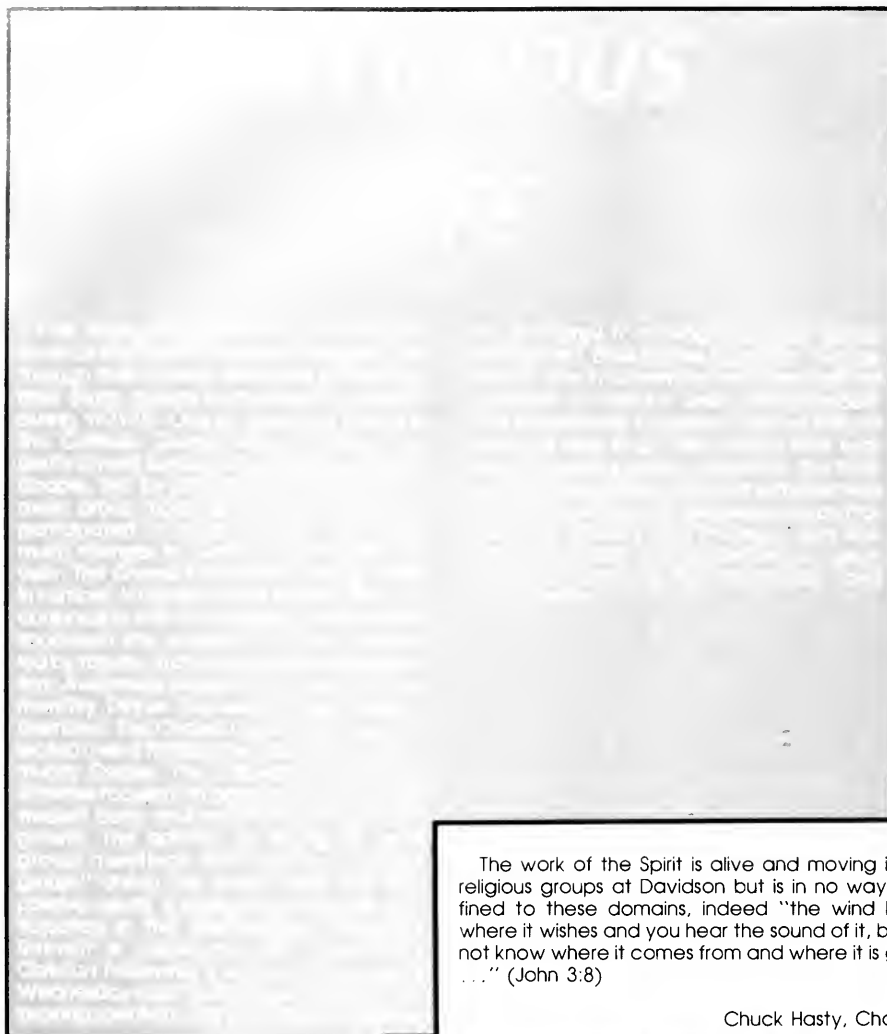

The Concert Choir

Jazz Ensemble

The work of the Spirit is alive and moving in the religious groups at Davidson but is in no way confined to these domains, indeed "the wind blows where it wishes and you hear the sound of it, but do not know where it comes from and where it is going ..." (John 3:8)

MORE GOV'T

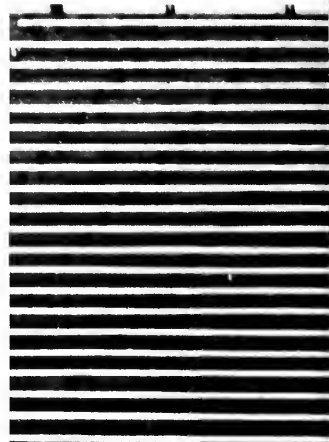

ACTIVITY

Featuring . . . Committee on Minority Affairs

The Council on Minority Affairs was initiated last Spring by the SGA after a campus forum on minority concerns which raised questions that needed answers. The Council seeks to create campus-wide awareness of problems facing minorities here at Davidson. One example of such efforts is the newly chartered F.L.A.G. Chapter which hopes to provide the gay and lesbian community with support and understanding. The council also seeks to address policy concerns such as diversity both in the curriculum and faculty as well as the recognition of campus diversity in freshman orientation. Though the Council mainly consists of appointed members, the meetings are open to all.

PATTERSON COURT

PHI GAMMA DELTA

The fraternity of Phi Gamma Delta experienced a great range of energy during 1991-92. Fij thrived with newfound commitment and dedication after doubling its size with an exemplary pledge class of leaders. Fij's excelled throughout the Davidson community through active participation in four varsity sports, numerous theater productions, student publications, ROTC and many other clubs and social activities. At the start of the academic year, four Fij's returned from Fij Academy, the fraternity leadership conference, with new skills in organization, service, rush, scholarship and risk management.

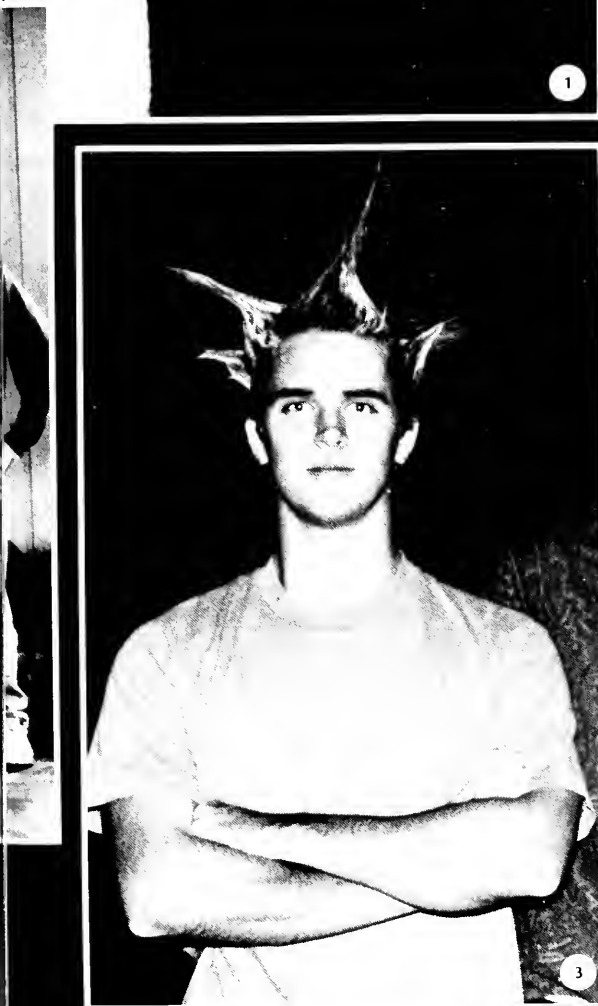

This year also witnessed the re-emergence of an old Fiji service tradition: Fiji Odd Jobs. Every Saturday was spent with brothers doing odd jobs for charities, churches, schools and the community with all proceeds going towards the Davidson-Cornelius Day Care Cen-

ter and other charities. Also in the vein of constructive activities, this year experienced a refurbishing and renewal of the Fiji chapter house.

Aside from scholastic and service oriented activities, Fiji's social year was brighter than ever. From the Haunted Halloween with Spencer to the annual Black Diamond formal, Phi Gamma Delta parlied the semester and their stresses away and toasted absent brothers at the Norris Pig Dinner with salutes from the heart. Fijis continue to have fun in every aspect of Davidson life and they enjoy strengthening their brotherhood through the collective memories that they share. After all, who could forget Steve Sturm — the ultimate MP, "I love Lemon!", painting the Fence from Hell, the headache pit sans cholera, your most embarrassing moment or those towering purple letters? After pine.

PI KAPPA ALPHA

Oh, those Davidson Pikes — up to those crazy campus hijinx again. Haunted House, service auction and wet-T-shirt contest with Rusk raised a lot of money while a swell time was had by all. Pika raised some \$3.2 million during the year on our service projects. Even though we had a party

each and every day of the school year, we were able to boast the absolute highest GPA of any fraternity in the state. Our strict dress code drew praise from the entire school and we soon gathered a huge following of gorgeous women from the Davidson campus and some 113 other campuses in the

state. *The Davidsonian* was rivaled only by our Pulitzer prize winning weekly issue of *Alter and Skull*. We not only claimed victories in all of the intramural sports, but virtually all of our brothers are varsity athletes. We also boast the SGA President, all hall counselors and lots of other cool, important people.

RUSK

Rattle! Rattle! Here come the cattiel It's 5:55, the food is ready and everyone rushes to dinner. Peggy, Lela and Geneva have prepared another Husky Rusky favorite. Is it Popeye chicken, chicken catcha-what, or pasta bar and beer bread? More importantly, what's for dessert: better-than-sex cake, haystacks, or seven layer bars? Next to food it's ...

Traditions like Destination Unknown, Policeman's Brawl, Cheeseburger-in-Paradise, Christmas Cocktail, Heaven and Hell,

Long Neck/Red Neck, and Senior Formal highlight this year. Study breaks, impromptus, late nights, and infamous RUSK lock-ins keep the delicate yet decadent women of RUSK's social calendar full! Husky Rusky all the way!

Throughout the year, we devote our time to Habitat for Humanity, adopt-a-grandparent, the big sister/little sister program, delivering Christmas stockings to the Community Center, and taking Easter Baskets to Davidson Daycare. Here's to RUSK!

PHI DELTA THETA

The N.C. Gamma Chapter of Phi Delta Theta has existed at Davidson College for more than sixty years. As one of the largest international fraternities, a distinguished past and high expectations for the future keep Phi Delta Theta strong.

Phi Deltas are not easy to categorize. The brothers are a unique group of individuals involved in campus life: student government, Love of Learning, theatre, and

varsity, club, and IMAC sports. While we have our share of late nights, the Phi Delt social calendar is categorized by its uniqueness: Monday Night Football, Halloween Costume Party, Pig Pickin' and Air Band.

Phi Delta Theta remains a great place to relax and have a good time. Many people view it as an escape from pressures at Davidson College.

KAPPA ALPHA ORDER

With so much change on the Davidson campus — the new senior apartments, the refurbished dorms, and the renovated fraternities and eating houses one might expect to find an entirely different atmosphere. I am happy to report that at KA, the more things change, the more they stay the same. In 1991-92 our campus leadership, our community service and, of course, our social functions have all been as strong as ever.

Whether it be the *Davidsonian*, the

Honor Council, the SGA or the Union Board; brothers have participated with vigor and contributed valuably to the Davidson College community. Service at Sigma also remains a constant. Our "Adopt a highway" project, our participation in "Cities in Schools," the big brother/little brother program and the annual "MD Disco" signify KA's strong commitment to others. And what would a week be without an "Over the Hump" bash, or even worse, how could we start the

year without remembering "Hurricane Hugo" or partying and scribbling at "Physical Graffiti?"

Needless to say, Mildred and Sylvia have enjoyed the new kitchen and the brothers welcome our spruced up house. But more than anything else we relish the traditions of enjoyment and camaraderie this past year. Oh, those good times will not be forgotten!!

Black Student Coalition

The Black Student Coalition was begun in 1972 when there were only eight Blacks on Davidson's campus. Today, though the number of Blacks has increased and become more diverse, the original goal of the BSC has remained the same — to provide an outlet for the social and cultural needs of Black students.

Each year the BSC strives to create an awareness of the contributions of Blacks both here at Davidson and away. The BSC is active in the community and is a support to Black faculty and staff. By providing social and educational events (such as speakers, step shows and parties), BSC members hope to share the pride of their culture and their traditions with other students on Davidson's cam-

pus.

You do not have to be a Black student to be a member of the BSC. In fact, with more non-Black members, the BSC would be better able to bridge the gap between the races. We would all be one step closer to a clearer understanding of what could be done to improve race relations.

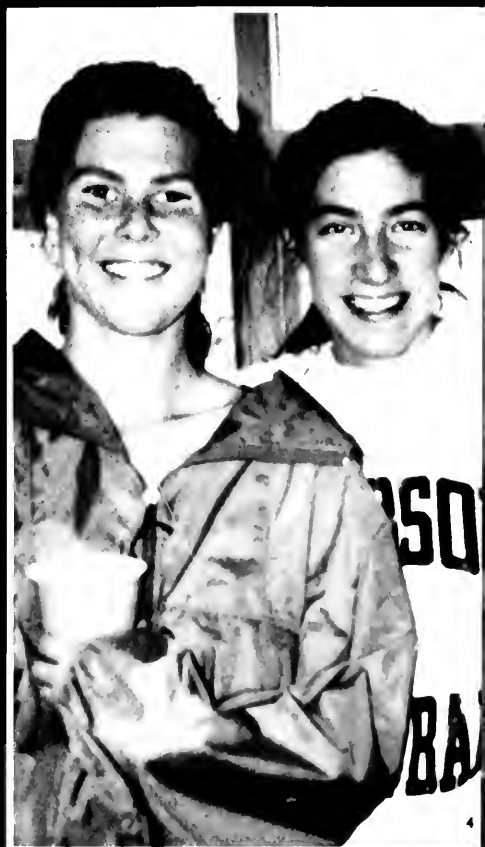

Although the BSC is a member of Patterson Court, it is not an eating house or fraternity. BSC members are basically the equivalent of 'social members' at another house. They pay dues to the BSC and continue to be active in other houses and organizations as well. Come check it out — it's the cheapest house you'll ever join.

WARNER HALL

Warner Hall continued the tradition of service and great food in the 1991-92 school year. We delightfully grew during self-selection and with such growth we knew that it was time to move to a bigger house. So the fall saw the new Warner Hall bigger and better in the old TO house. (We were most excited about the new basement!) Not only has our size grown and our location changed, but we also have a new cook, Cindy.

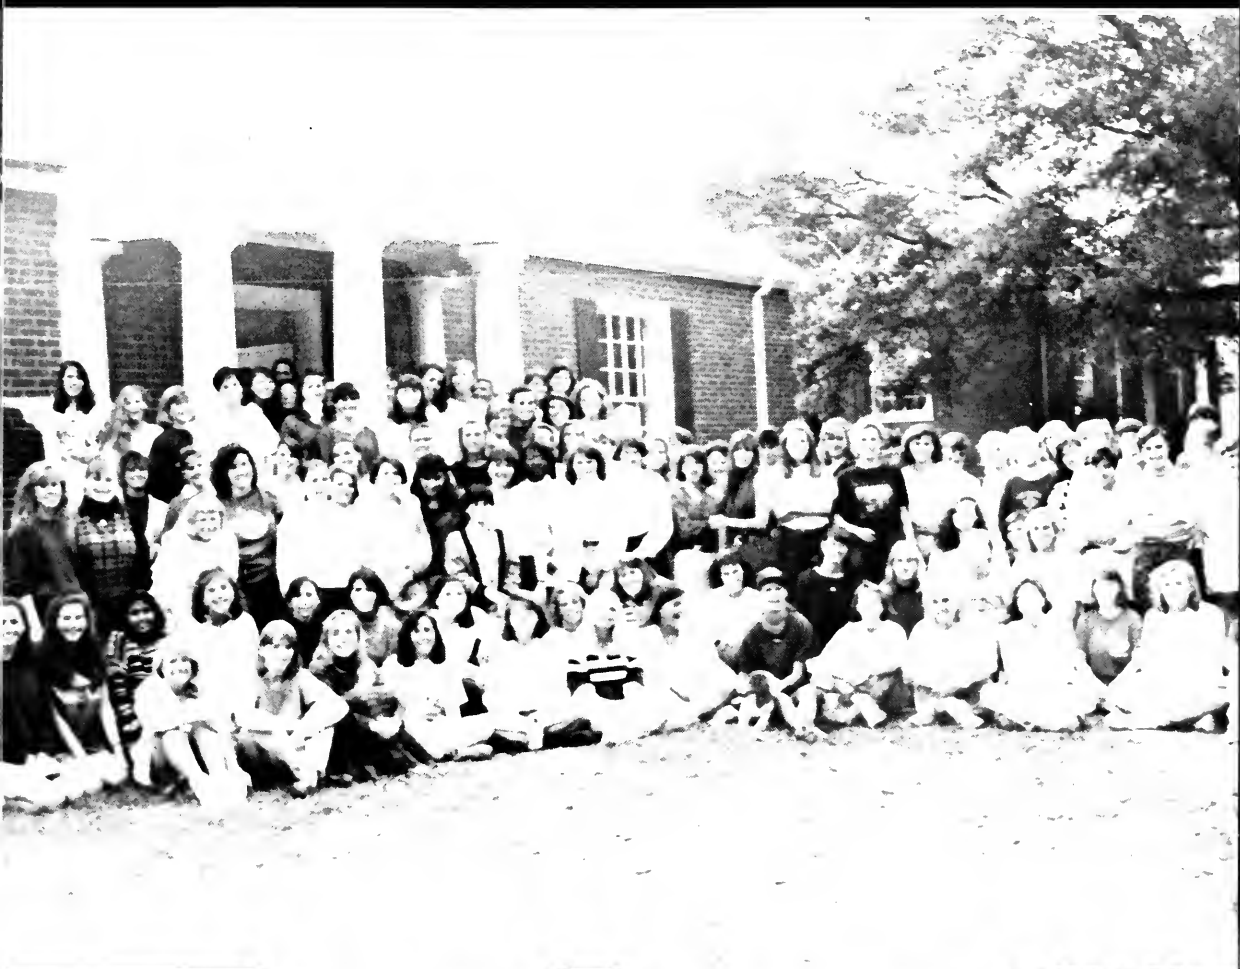

Cindy, along with our famous twin cooks, Louise and Lucille, never failed to produce amazing dishes.

Our tradition of service continued with our singing at a Huntersville rest home with SAE, participation in CROP Walk, Jubilee House, recycling, and the Valentine's Dance at the Pines with SPE.

Our never-ending commitment to fun continued throughout the year: various late nights, Mardi Gras FAC, Electric Jello

with SAE, '70's party with PIKA, Spring Formal, Patio Party, Perseus Party with SPE, Last Night of Summer, Semi-formal and, last but not least, senior guys Champagne Party. This list is only the beginning!

Our members are involved in many activities on campus from SGA to YSSC to IVCF to the Union Board. Our diversity makes Warner Hall amazingly fun and that proves once again that we are still crazy after all these years.

SIGMA ALPHA EPSILON

The noble traditions of Sigma Alpha Epsilon have long presided over Davidson College. Founded on May 20, 1883, N.C. Theta expanded quickly but carefully. Today we can proudly remember those brothers of old, confident that we have preserved their spirit and fulfilled their hopes for N.C. Theta.

1919-92 allowed us ample opportunities to build upon our wealth of history and heritage. With the highest caliber of leadership, we set forth to dominate the

social scene at Davidson and to raise inordinately large sums of money for worthy causes. Tacky Party, Electric Jello, Harry Buffalo, Midwinters, Homecoming and countless late nights enertained us immensely (as did our guests). Bike-a-Thon, Davidson Phone-a-Thon, Big Brother-Little Brother and Time to Read are just a few of the service projects to which the brothers of SAE wholeheartedly devoted their time and intellect.

Pledges were taken in the spring and were taught the requisite vir-

tues of a "True Gentleman." In due time, they blossomed and were inducted. The seniors left the Huddy House to enter the real world, and those of us remaining reflected upon the year as we also envisioned the next.

We, as brothers of SAE, are ever thankful for our distinguished faculty advisor, Dr. Leland Madisor Park. With his guidance, friendship and character we are all the better.

SIGMA PHI EPSILON

Ah, yes 1991 ... where to begin?

The seniors of three years ago would hardly recognize the place these days. With a refurbished house and packed parties, 609 Patterson Court has changed quite a lot. On the downside, spoof quality has plummeted and it's a lot more difficult to get drinks during late-nights

And on the upside?

Just Average Guys continue to show off their Flickerball prowess on

the field. Last year's pledge class gave us an aluminium, possibly brother-proof (at least for a couple of months) ping-pong table on which we can put off our studies to our heart's content. It's become safe, even great, to eat down at the house. President Todd Newman continues to count votes well; Vice-President John Kelso can always be seen at the house.

Our First-Night Down and Cham-

pagne Pajama parties were great (unless you had clean-up afterwards). Thanks to the efforts of Social Chairman (Events Chairman?) Brad Glosson. And under the leadership of Rush Chairman Drew Harris, we look forward to another excellent year and another great pledge class.

Finally, there's one thing the seniors of three years ago would still recognize ... our brotherhood. "Here's to the brothers of Sigma ..."

SPENCER HOUSE

From socializing to service, Spencer House has it all.

Spencer House kicked off its social year by throwing a slumber party to promote house unity. And after the first weekend down for the freshmen, they gave their own welcome by hosting the Lost at Sea semiformal. October brought on many surprises, including the Obsession party where the lady Wildcats could come party with some of the hottest guys on campus. Pre New Year's Eve took the sting out of exams and warmed ev-

eryone's hearts with some of the hottest dance music around.

The New Year arrived, and with it came this year's Freshmen Spencer women. After a wild self-selection night, the freshmen enjoyed the lively beat of Merangue Mama as well as the sophistication of Formal. The year closed with Tiki, the last warm lull of the year before exams started.

Spencer is well known for its commitment to service. Five times each semester they sponsored a cookie study break as a chance for fellow

Davidsonians to drown their Sunday night stresses with a generous helping of cookies and ice cream. The donations gathered from each study break went to their foster child in Columbia. Spencer women also spent time visiting the Oaks in Huntersville as well as joining several Habitat crews throughout the Charlotte area. In addition to participating in house-sponsored activities, Spencer women worked with several independent service projects.

KAPPA SIGMA

Kappa Sigma strives to lead others by example through enthusiasm and a commitment to excellence. With a strong group of sophomores and some quality upperclassmen, the fraternity continued its role as a campus leader.

The Kappa Sigma Grand Conclave in Atlanta, GA helped exemplify Delta Chapter's commitment to academics and campus involvement. The fraternity was bestowed with the Founder's Award of Chapter Excellence given annually to the top ten chapters in the United States and Canada. Also, Delta was awarded the Silver Punch Bowl recognizing it for excelling academically on campus for three consecutive years.

The fall semester brought with it one of Kappa Sigma's most successful service events, Homeruns for Habitat. On October 19, 1994, many Kappa Sigma rose at 6:00 a.m. to take the field at Moor Park in Mooresville. This outstanding event raised money for a truly wor-

thy cause and helped bond Davidson and Kappa Sigma with the community.

Later that month, the fraternity chose Mimi Flauche to be its 1994 Sweetheart. She was crowned runner-up in the Homecoming race and represented Kappa Sigma well.

The spring semester saw another strong group of young men join Kappa Sigma as pledges. This year's class will assure Delta's strong campus leadership and commitment to Davidson College.

Also, Kappa Sigma held its third annual John O. Reynolds-Patrick Virtue MADD Run in the spring. Each brother raised money and participated in the trek from Davidson to Salisbury and back.

With the continuing support of older brothers and many enthusiastic new brothers, Kappa Sigma will remain a constant success at Davidson College.

SPORTS

Men's Soccer

The men's soccer team, one of the most popular sports teams on campus, played much better than their season record would indicate. The team had 8 wins, 10 losses and 2 ties. They had several big wins, including two against teams that qualified for the national tournament. The soccer team tied UNC-Chapel Hill, who also participated in the national tournament.

Coach Slagle commented, "We had a good year, but we just didn't score many goals." This was partly due to the injury that Rob Ukrop received in the second game of the

year. His broken leg removed him from competition for the rest of the season.

Rob Ukrop's absence, however, did not keep fans from coming out to cheer the team on. The match played at Davidson against UNCC brought out 2,700 spectators, an attendance record. Outstanding players included Matt Spear (MVP), Ben Hayes (leading scorer) and Spider Warmuth (All Big South).

The soccer program is now excited because Davidson has been named the site for the NCAA Division I finals in 1992-3.

 Top Center Richard Howell is not looking for high fives here!
 Above Special teams standout, Alden Smith bounds over fallen Rhodes' defenders

FOOTBALL

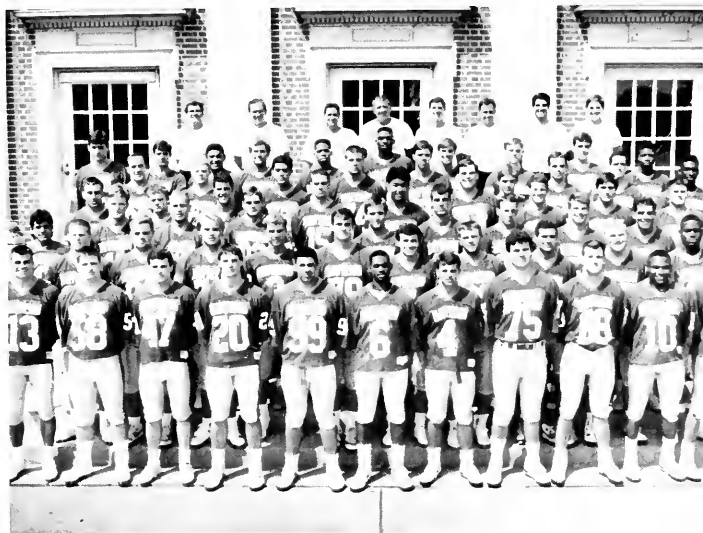

Pride, Family, Pride: "What our mind dwells upon our body acts upon." "Our absolute best in '91" ... As a Davidson College football player knows, these are just a few of the things Davidson Football is all about. Most students only see the product that hits Richardson Field during those autumn Saturday's, but very few can understand the time, practice, hard work, thought and dedication that goes into the "Fighting Wildcats."

Although Coach Fagg, his coaching staff and the team faced an emotional and injury filled season, they always played with whatever hand they were dealt. The "Fighting Wildcats" were looking for a back to back winning season, which hasn't happened since 1958, but the untimely injuries of key players, like junior wide receiver Dan Lamar, made this goal increasingly more difficult as the season pushed on. The coaches and team were "heart broken" with their disappointing losses to Methodist (28-30) and Rhodes (9-14). However, the season was not entirely disappointing, impressive victories, both home and away, over Clinch Valley (32-7), Charleston

Southern (33-17) and Washington and Lee (16-14) excited the Wildcats. The 'Cats were constantly asked by the coaching staff to "step it up" and "deal with what you are dealt and fight hard."

Offensive standouts were John Bodkin, Dan Lamar, Kelly Shirley and Captain Ashton Loyd. At QB sophomore Richard Howell and freshman Kevin Holzworth constantly challenged each other, but all combined to put points on the board for Davidson. Defensively senior Captain Tony Perez, junior linebacker Leonel Benoist and sophomores Evans, A. Smith, Dalton and Edmonston made some exciting and crucial defensive plays. Special teams standouts were kicker Drew Fasset, Alden Smith, Frank Watson, Benoist and Chad Blackwelder.

The Wildcats will miss seniors Jeba Barnes, Linsey Mills, Erik Moleador, Tony Perez and Frank Watson. However, they look forward to the return of fifth year seniors Loyd, Matheny, McCann and Wright. Their experience, combined with the returning underclassmen, should provide a strong foundation for future Wildcat teams.

Front Row: E. Moleador, M. McCann, F. Watson, M. Wright, T. Perez, L. Mills, M. Matheny, A. Loyd, G. Barnes, R. Howell, J. Bodkin, Second Row: F. Houghton, W. Welch, S. Waters, D. Lamar, N.  Right: Jennie Wagner shows her intense concentration as she sets up on defense

VOLLEYBALL

The women's volleyball team had a very successful season this year, with a record of 25-13 and a first place finish in their regular season standings. They also had an outstanding performance in the Big South Conference Tournament with a second place finish. Unfortunately, Mimi Plauche, a senior captain, was injured in the finals, seriously affecting the performance of Davidson's team. However, the team still walked away with several awards. Plauche was chosen for the all-tournament team. Co-most valuable awards were given to Amy Howard and Jennie Wagner. Other awards presented to the team were given to Plauche, Holt Hathaway (All-Conference), and Coach Rebecca Hawkins (Coach of the

Year). Plauche was also given the Player of the Year award.

Coach Hawkins commented on the season, "We had a difficult schedule and I was very pleased with how we did overall. We reached our goal of getting to the finals of the tournament, but we were certainly disappointed that an injury determined the conference championship. However, we feel very good about the awards that the team walked away with because they are not normally given to the second place team. The three seniors that we will lose mark the end of an era for Davidson volleyball. They have brought us from a low-level to a mid-level Division I team."

Top: Mimi Plauche gets ready as Holt Hathaway sets her up for the winning shot.
Left: Holt, Jennie, and Amy look ready for their opponent's serve.

Right: Holt, Christy and Mimi pose for a picture before their last home match. These three seniors provided the fans with four years of excitement.

Cross Country

"I am winning!" Freshman Elizabeth Bishop told herself to remain focused during races. The 1991 Women's Team experienced success early on by running all seven runners under twenty-two minutes at the Clemson Invitational. The women earned 2nd place at Charleston Southern where sophomore Lisa Sitek ran her personal record. Fall break brought late night team bonding with Coach Manson and a 2nd place finish at the Citadel. Senior Captain Kathy Beach exploded at the North Carolina Intercollegiate State Meet to run 19:30, a Davidson's women's record.

"I am tough!" Amy Bertram ran a personal best of 20:55 and helped the team to a 2nd place finish at the Big South Conference Meet. Kathy Beach was named Runner of the Year for winning the meet in 18:29, the fastest time ever by a Davidson College woman. All conference runners Karen Marshall, Elizabeth Bishop and Jean DeMoss ran hard to make Coach of the Year Gary Andrew proud. Andrew was rendered speechless when asked to comment on the season but he felt privileged to coach such

a talented athlete as Beach. With the addition of a healthy Carolyn Meadows in 1992 the team will be a force in its new home next year in the Southern Conference.

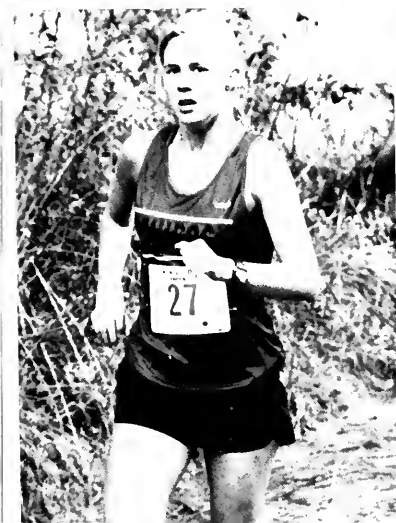

The 1991 Men's Team began the season with high expectations to improve on last year's 4th place conference finish. Returning from last year's top seven were seniors Chris Otrók and captain Ted Richardson, junior Ian Stewart, and sophomores Cam Dauler and Richard Wharton. The Wildcats also had the talented freshman Erik McMichael and Joe Beach.

The season started at Clemson with a solid finish against some strong teams. At Charleston Southern, Otrók and Stewart ran what turned out to be the fastest times of the season to lead the Wildcats to a fourth place finish against their Big South rivals. One week later the Wildcats returned to Charleston as Stewart led the 'Cats at the Citadel Invitational. This was to be Stewart's final race of the season as he developed a stress fracture. At the conference meet Richardson and McMichael led the Wildcats to a fifth place finish.

 Bottom Left Chris Otrok and Ted Richardson finished fast to impress the babes
 Bottom Right Richard Wharton prepared to blast off as Cam Dauler held off a Brevardian

WOMEN'S

The Women's Soccer team set out to pick up where they left off last year and improve on that. And improve they did! The Lady Wildcats finished with a 10-7-1 record, the most wins ever and their first winning season. First year coach Kevin Hundley stressed the importance of the fact that the team learned from each game as the season progressed and built upon each match. "It was a great season, and to do it with such a young team bodes well for the future," he said.

The team is young, reflected in the fact that 14 of the 21 players are freshmen and sophomores — eight of which started. Coming in to add a greater offensive threat were freshmen Ellen Sprinkle and Sarah Cantrell. However, it was senior Captain Liz Clarke who frustrated other team's defenses and led the Wildcats' of-

fense. Aided in the front line by co-Captain Annie Adams and sophomore Susan Taylor, Clarke established new season and career scoring and assist records. Sophomores Jenny Satterfield and Colleen Camaione anchored a stubborn defense, setting another team record in its goals against average.

All around, the Wildcats established themselves as a team to be reckoned with, now and in the near future. They have set themselves apart from the non-Division I schools, whom they were previously associated with, by going 9-1 against non-Division I teams. Ranked during the season as #10 in the South, above the likes of Duke, the Wildcat Women's Soccer team can look forward to a bright future, built upon the dedication of the past.

Top Center: A Wildcat defensive charge.
Left: Liz Clarke, once again, breaks away.
Above: Celebration time for a highly successful offense.
Right: Good on her attacker, Satterfield heads for open field.

Above "Kick, Annie, kick!"

FIELD HOCKEY

After winning the Deep South title in 1990, the Davidson Field Hockey team faced the difficult challenge of repeating as champions. The Wildcats proved to be equal to the task, winning their second straight Deep South Championship. Under the leadership of coaches Betsy Pryor and Betsy Brown, the team was able to persevere and achieve their season's goal.

The Wildcat cause was helped by the presence of four seniors. Beth Pharr, Mary Russ, Lauren Follmer and Fran Fierro all brought experience to the team. In addition, several other returning players contributed significantly. Along with Fierro, Jennifer Roos, Simone Plaisance and Emily Coleman all made the Deep South Tournament team. The Wildcats

depth was also an important factor in defending their title. As evidence of the team's strength, nine players were selected to the All Deep South team for the 1991 season.

In this championship season, several moments stand out for the Wildcats. Besides the win in the championship match over Catawba, two wins over Wake Forest were memorable. The Wildcats beat the Deacons in Winston-Salem 1-0 in sudden death overtime. And the winning should continue with only four seniors graduating. One of the departing seniors, Captain Mary Russ, summed up her feelings, "The most amazing thing about this team was it's unity. We were able to stick together and fight adversity throughout the season."

 Right: Senior Captain Mary Russ uses great stickwork to protect the ball from her defender.

Cheerleading And Dance Team

The 1991-92 Cheerleading and Dance Team brought much needed enthusiasm and spirit to Davidson Athletics. The newly formed Dance Team and first ever full co-ed Cheerleading squad debuted at the annual Lunar Luau. Both squads made appearances at football and soccer matches throughout the fall. The Dance Team brought the excitement indoors, as they entertained fans at home basketball games. The members of the Cheerleading squad were Sarah Berry, Traci

Cliett, Buky Hunter, Ashlyn Dannelly, Wilson Skalinder, Chris Shields, John Harper and Rick Figlio. The Dance Team was made up of Bonita Paysour, Michelle Graham, Sara Withers, Beryl Thomas, Marie Huntington, Adrianna Ortega, and Laurie Self.

Not only were our fans yelling in recognition of the efforts of those on the field and court, but for the high-flying, fast stepping Cheerleaders and Dancers on the sidelines.

Top Right: Michelle Graham, Bonita Paysour, and Marie Huntington strut their stuff during halftime.
Above: The Cheerleaders and their Coach Jeanette Scire.

Top: The Cheerleaders lead a pre-game parade
 Above: Members of the Dance team pose with the Wildcat
 Right: Laurie Self leads the fans in a cheer.

Men's Basketball

The Davidson Men's Basketball team had the potential for a banner season at the beginning of the year, but unforeseen calamities soon struck. First was the loss of three members of the strong recruited class of '94 for different reasons. That cut deeply into Davidson's experience and depth. Senior Paul Denmond's final year was also cut short when he suffered a torn ligament in his knee. The depleted roster was boosted by the addition of Matt Matheny, Linton Elliott, and Tim Caldwell.

The Cats managed to overcome their problems and had an exciting season. They played around 500 ball for the first half of the season, but then fell into a mid-season slump, losing many close and hard-fought games.

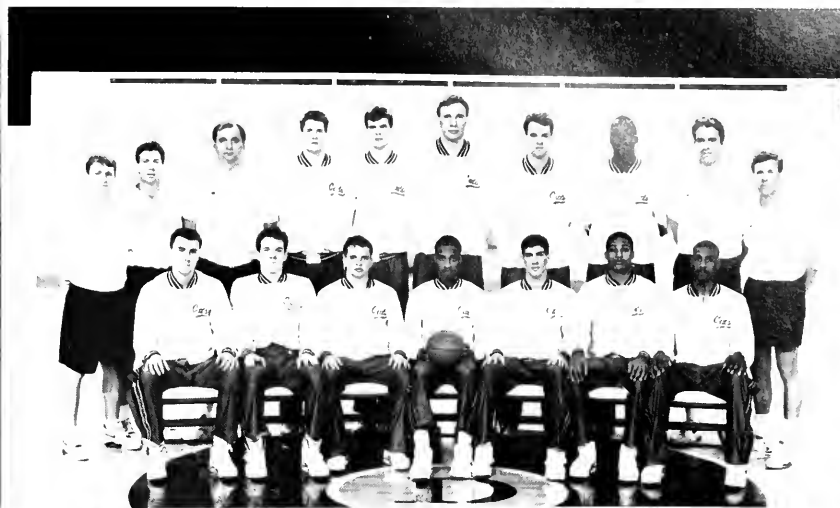

Many individual performances were

noteworthy. Yanko Narat amazed crowds regularly with his ability to hit the three point shot. Detlef Musch had several good games, using his height to dominate inside. Freshman sensation Frank Harris made a habit of hitting the open jumper and swatting away opponents' breakaway layups. Jason Zimmerman showed his mettle throughout the season, taking over in big games. He scored 26 points against top 20 rival UNCC.

Seniors Paul Drobitch, a force in the paint, and Sterling Freeman, with his defensive prowess, were the integral elements of the Wildcat Squad, providing leadership and experience, especially defensively. Their loss will be missed, but as the younger players continue to develop, Davidson should see continued improvement in its Men's Basketball squad.

Above: Detlef Musch stretches for two. Far left: Jason Zimmerman directs the offense. Left: Senior Sterling Freeman powers in for a layup.

Above, far left Paul Drobniitch, "Drob," muscles in for a rebound.

 Above: Coach Filar brings the team together, explaining last minute strategies

Women's Basketball

Pre-season training for the Women's Basketball team began in October, however most of the team did not show up until their fall sports ended in November. It was a crazy start to an even crazier season for the first Women's Basketball team since 1986 and first year for Coach John Filar.

After numerous scrimmages and long van rides, the Lady Wildcats were more than ready for their first game against Mt. Olive. After losing 78-75, Coach Filar knew that this young team would not back down. The team showed great determination and improvement over the course of the season.

Senior captains Skye MacLeod and Faison Nuckolls provided the offensive threat inside, as most teams had to double team these scorers. Faison led the team in scoring and in rebounding. But when the Cats couldn't get the ball inside, it went to Kristin Solsrud, whose ac-

curacy from the 3 point arc was deadly. Roos and Plow took care of the ball handling and sparked the fastbreak. Katrina O'Neal and Margaret Baker came off the bench to provide quickness and height (in that order).

The Lady Wildcats ended their first season with a record of 4-6 wins, coming against Washington & Lee, Brevard, and Warren Wilson. At season's end, Coach Filar was able to look back, calling the past few months "unique", and say with assuredness, "Women's Basketball is back to stay!"

Highlights:

Betsy "Bama" Jones hits a 3 pointer with her eyes closed at Pfeiffer and ends up scoring 6 points in 15 seconds.

Skye doing forward rolls down the court.

Faison finds a backboard!

Plow SHOOT!

Top Left: Seniors Skye MacLeod, Faison Nuckolls and Coach Filar out of uniform. Top Right: Kristin Solsrud drives past her defender. Middle Left: Roos and Plow think they're TOO Sexy for this team. Bottom right: Becca Peters slices through the defense and gets a little air

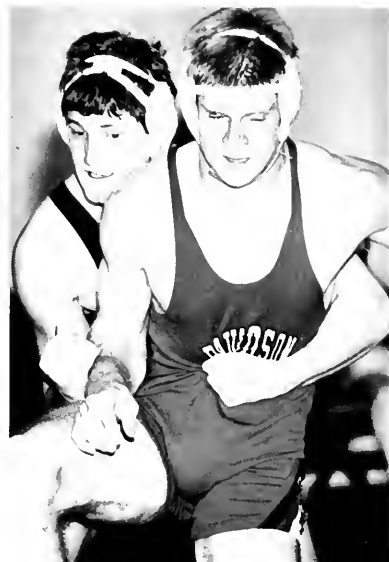

Wrestling

The Davidson Wrestlers cleaned up in their individual weights in tournaments throughout the season. Senior Captain Scott Townsend placed third in the Washington and Lee tournament and had key wins over tough wrestlers. Sophomore Jimmy Stuart had an outstanding season with a second place at VMI and W & L and a fourth at Mid South. Sophomore Robbie Fierro in the 126 weight class placed fourth in Mid-South and in the Southeastern Open. Sophomore Sam Knowles had a second at W & L and fourths at Mid South and Southeast Open. Craig Wall is another deserving of

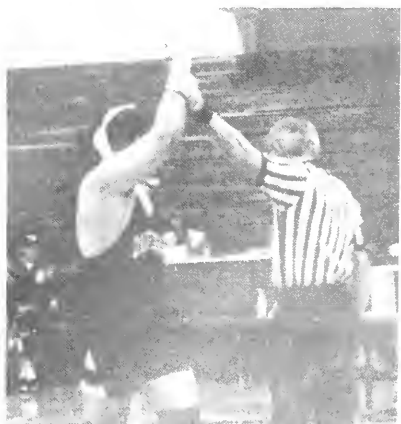

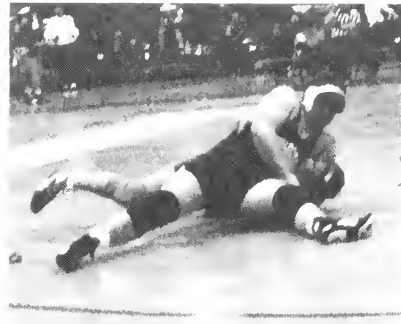

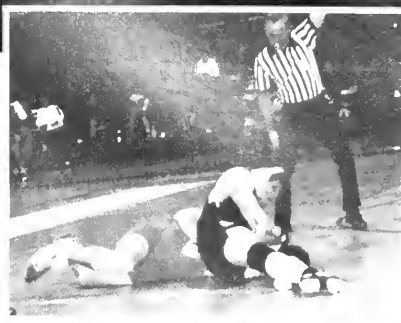

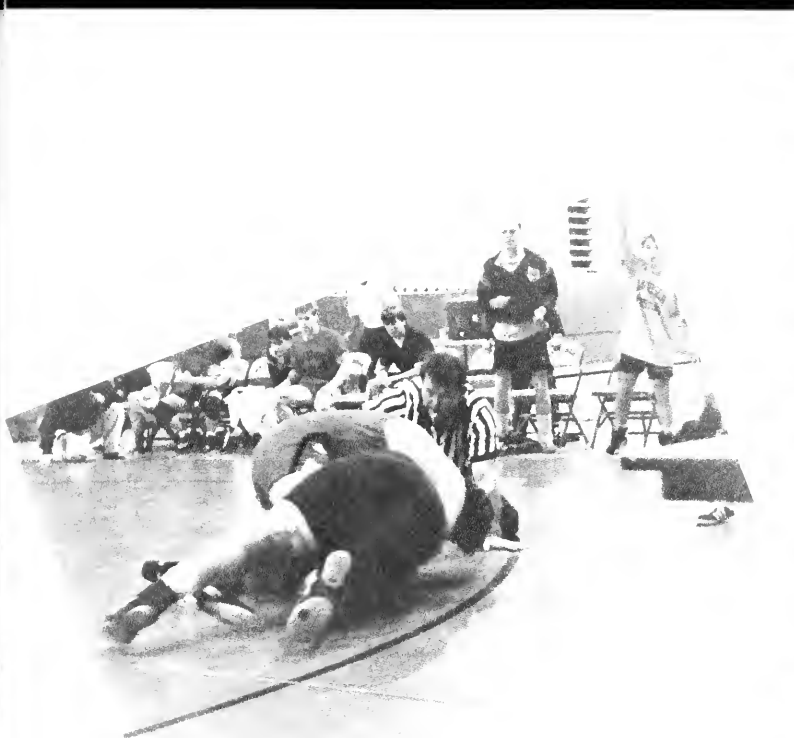

recognition who placed third at W & L and fourth at JMU.

These individual achievements complement the team who wrestled a tough Division I schedule against power programs like Duke, App. State, and UTC. The team also suffered from chronic injuries and a skin infection. Coach Oddo is concentrating on stepping up the Davidson Wrestling program and is pleased with the underclass which is a majority of the team. The leadership of Scott Townsend will be missed, but he and other graduates can look forward to a growing program.

 Right Side: Jimmy Stewart rolls an opponent over, applies a headlock, gets the pin and is awarded the victory.

Men's and Women's Swimming and Diving

This 1991-92 swimming and diving season marks the first varsity season since 1982. In 1982, the Johnston Gym pool was declared unsafe so the program was dropped. Thanks to the efforts of Todd Newnan, Jen Garison, Carlton Craig, Mark Johnston and others, the teams reached varsity status this year.

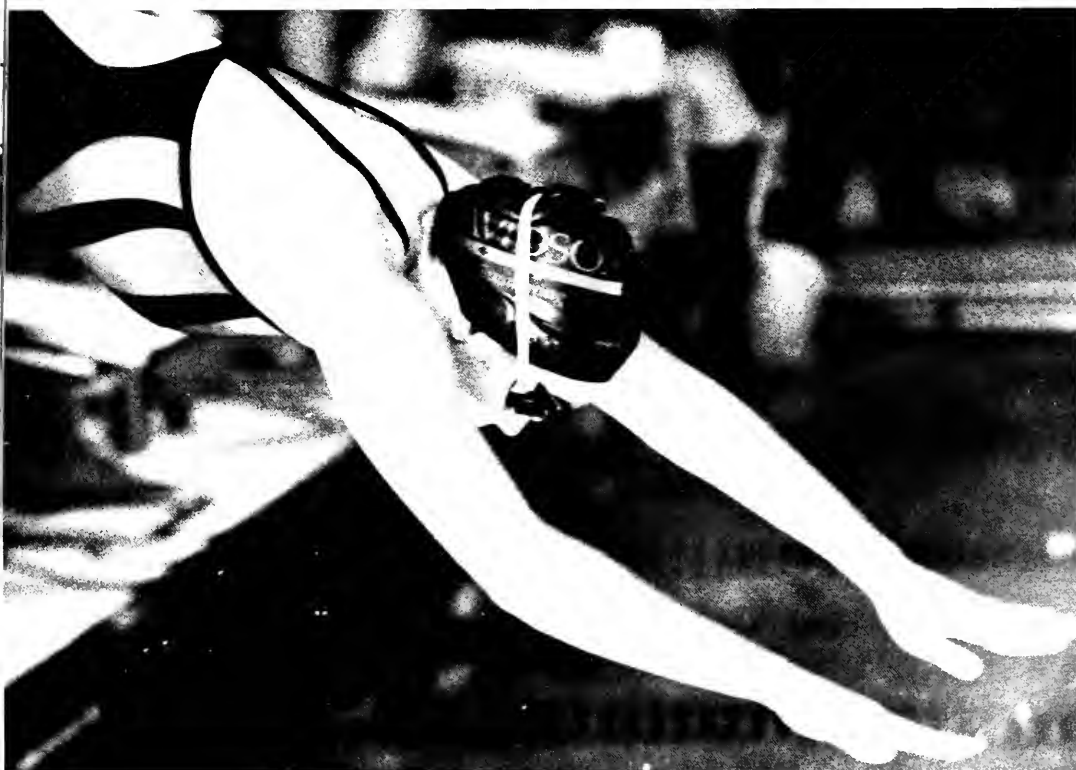

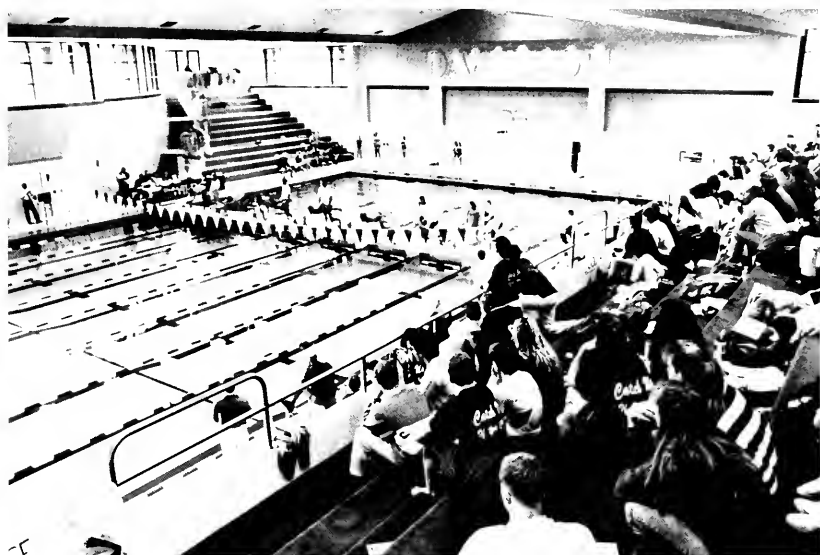

The Cannon pool was dedicated in February and it has seen a great deal of action all season long. Visitors to Davidson marvel at our natatorium. Davidson hosted several events including the Southern/States Swimming & Diving Championships in which 12 men and women's teams participated. The Wild-

cats placed 5th in the men's and 7th in the women's competition. Individual accomplishments include: Hayler Osborne in breaststroke, Miche Baskett in the sprint events, and Ben Reem and Morgan Ferrel in their overall performance. Thad Reece improved throughout the season culminating in his diving performance in the championships. Unfortunately the Women's diving team suffered from injury all through the season.

Coaches Ron Marrow and Trish Smith are pleased with the outlook for next year because it will include the first recruited class. The team is young and can only improve.

Top: Kate Crosman shows perfect form on a dive.
Left: Todd Newnan waits for his teammates during a relay.
Above: The first-year varsity swimming and diving team.

Top Right: The swimming and diving team draws a huge crowd.
 Above: With muscles tensed, Amy Laukkanen, prepares to break the water's plane.

Women's Tennis

With the addition of scholarships last year, the women's tennis team is growing stronger with each season. Comprised mainly of sophomores (6) and freshmen (3), the team is now battling to maintain its title as Big South Conference Champions. The team had an intensive, exciting fall and played many tournaments which gave a lot of players the chance to compete. Although the first conference match of the season ended in a loss to Campbell, the team was encouraged by the fact that they were able to compete with the school on all levels. During spring break the team competed in Hilton Head

against Georgetown and Notre Dame. Davidson also hosted the Conference Championships during the spring which gave the team the home court advantage for the tournament. With the leadership of Seniors Skye MacLeod and Mary Faith Mount, the team should be well on its way to another winning season.

A new addition to the Women's Tennis team came about during the fall. A Junior Varsity team was implemented and has been well received by Davidson students. It is hoped by Coach Caroline Price that the program will continue to grow over the next few years.

Top Center: Freshman Kim Nance powers the ball back across the net.
 Left: Junior Leslie Goff, prepares to fire an ace. Sophomore Tasha Ruth returns a volley.

Top Right Leslie Goff returns a shot. Above Seniors Mary-Faith Mount and Skye MacLeod sends the ball down the line. Right Number one singles player Cyndi Hess prepares to return serve.

Right: Dave Tonidandel rockets one across the net!
Far Right: Serve that ball!

Above: Ryan Harper follows through with his racket after sending the ball over the net.
Right: Able Zarotski shows good form while returning the ball out of his opponent's reach.

Men's Tennis

The strength of the 1992 Men's Tennis program was unquestionably its depth. The players were very competitive with each other, resulting in line-up changes early in the season. This depth translated into strong overall play from both singles and doubles. Coach Jeff Frank thought that while the doubles teams struggled in some big matches, play had improved since last year. Singles play was excellent, exemplified by an early season 5-1 demolishing of ECU.

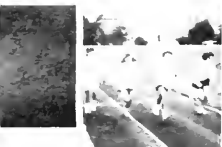

The team was led on the court by number one singles player Albie Varoski. Varoski, a junior, has played at the top slot since his sophomore year. In strong performances against some of the best players around, he showed that Davidson can look forward to another great season from him next year.

Next season should be spectacular for other reasons as well. All of the top six singles players will return. Numbers four and five singles are just freshmen. Also, the 'Cats return to the Southern Conference next year, providing strong competition. It looks like Davidson will be an exciting team to watch in the next couple of years.

Playing for the last time as Wildcats this season were seniors John Beyer (#1 doubles), Dale Voeks (#2 doubles) and Joey Maniko, the defending Big South Conference Champion at number six singles. These three will definitely be missed, but Davidson will continue to pursue excellence on the court as next year's freshmen find their place to replace these graduating Wildcats.

Left Dave Jsperson uses a deadly backhand.
Above: DC tennis: INTENSE.

Women's Track

Leaving the Big South Conference behind, Davidson's small but mighty women's track and field team ran back into the Southern Conference and faced challenging competition in 1992. Senior Captain Kathy Beach continued her attack on the record books that began in 1990. She proved herself to be one of Davidson's highest quality female athletes ever by shattering several records during her collegiate career including the 1500, 3000, and 500m. Following Beach's desire for distance, Sophomore Lisa Sitek improved upon her top ten performances of 1991. Sophomore Jean DeMoss and Freshman Carolyn Meadows held their ground in the middle distances by working together to blaze past such competitors as Duke and Wake Forest runners. Commenting of the season, DeMoss exclaimed, "My life has changed

forever thanks to track . . . the friends I've made will last a lifetime." Great friends and good coaching by Gary Andrew and Beth Manson made track a social outlet as well as an athletic endeavor. "Back from the jungle" Heather Tarpley, Junior, forged an attack on the discus and 400H records while running strong. Sophomore Jennifer Humphrey left the hurdles in 1992 to successfully combat the 800m run. Humphrey was a strong addition to the 2 mile relay team. Top freshman sprinter, Marya Whitehead added to the 400m speed and became Davidson's best triple jumper ever. Though the team consisted of only seven women and the track was reduced to lanes 4, 5, and 6, these obstacles did not stop the Lady Wildcats from triumphing in the realm of track and field.

Sophomore Jean DeMoss had an incredible race in 1992. Senior Captain Kathy Beach rewrote the record books in her years at Davidson. Lisa Sitek prepares for her race.

Top Right: Kathy Beach is selected to the All-Conference team with her third place finish in the Conference Championships. Top Left: Lisa Sitek, Jennifer Humphrey, Carolyn Meadows and Jean DeMoss begin one of their grueling workouts. Bottom Left: A happy Jean hands off to thumper. Bottom Right: Maria Whitehead

Men's Track and Field

The 1992 Men's Track and Field season was highlighted by several outstanding athletes' efforts to eclipse some long-standing school records. The return of Davidson Track to the Southern Conference made for some super efforts and great competition.

Sophomore sensation and co-captain Duncan Spears wasted no time, setting early indoor records in the 400m and 500m runs. Duncan also made a place for himself in Davidson history in the outdoor 400m hurdles.

Co-captain Ted Richardson and Chris Otrok had impressive senior campaigns. Both men were just a tick off a school record in the indoor 300m and chased the venerable outdoor 5000m record.

Both will be missed in the next years.

Freshman Lee Sutton led the way in the weight events, while sophomore DJ Ruggles set the pace in the long and triple jumps.

The strong corps of mid-distance runners made chase for records in the 4x800m, outdoor 800m and 1500m runs. Senior John Alsobrook, freshman Erik McMichael and junior Peter Hurtado concentrated on the 1500m, while freshman Joe Beach, and juniors Mike Grant and Ben Wiley focused on the 800m.

Overall, coaches Gary Andrew and Beth Manson were quite pleased with the team's tenacity and performance, and look forward to the development of several athletes.

Top Right: Chris Otrok outpaces Virginia Tech in the 300m.

Bottom Left: DJ Ruggles is airborne in the triple jump. Ruggles doesn't think about anything but running.

Bottom Right: Lee Sutton, year right.

 Bottom Left: Peter Hurtado, Mike Grant, Erik McMichael and John Alsbrook practice handoffs on the remnants of the Davidson College track
 Bottom Right: Peter Hurtado leaves the competition behind in the 1500.

Golf

The 1992 Davidson College Golf team had all the components needed for a good year. They spent their second year at the beautiful River Run Golf Course and also played at the Peninsula Golf Club. With two good courses nearby, the Wildcats joined with UNCC to host the Super District III North Tournament on April 17-19.

The 'Cats played well in their second and final season in the Big South Conference. Next year Davidson will return to the competitive Southern Conference and with such strong competition, the

Wildcats will continue to improve.

Losing only one senior off last year's squad, the Wildcats returned the bulk of their team. The team was made up of mostly freshmen and sophomores, including captain Marc Raber and standouts Will McDaniel and Will Coble. Veteran players Brad Glosson, Craig Leonard and Rob Ukrop played their last season as seniors. Although they will be missed, a developing young team is expected to improve steadily over the next couple of years and bring excellence to Davidson College golf.

Above: Craig Leonard strokes a birdie attempt.

Top Left Jazz Freitas shows intense concentration as he digs into the batters box
 Left Joe Azzolino congratulates Tim Kerns on his second home run in the game against ASU
 Above Derek Twombly's fast ball strikes fear in the hearts of opposing batters.

Baseball

Second year Coach Richard Cooke led the baseball team through an exciting season. While the wet spring weather led to several rained out games, the schedule was full and action packed. And Successful!! The Cat's, after finishing third in the '91 Conference tournament, began this year with a bang. They defeated the first three teams they faced. The Cats were led by Senior Captain Mike Liebzdinski at second base and shortstop Rick Bender, who were selected to the pre-season All Conference team by Baseball America.

This season featured the return of Mac Chapman who missed last year because

of a motorcycle accident. He jumped right into the starting line-up playing third base.

Playing for the final season at Davidson were Seniors Jim Stanfill, Derrick Twombly, Liebzdinski, Joe Assolino and Ben Hooker. Their experience will be missed next season. Another significant change is that Davidson is moving to the Southern Conference next season. This will provide better competition, and an automatic bid to the NCAA regionals for the Conference Champions. The possibility for post-season play is exciting, and has the Cats looking forward to the future.

Top Left: Max Chapman's amazing recovery was one of the highlights of the 1992 season.

Outstanding Individuals

Sophomore Wonders, Karen Marshall, below, and Cindy right

Right: Another Track Star

Sports Medicine

The Sports Medicine Department is an often overlooked and under-appreciated area of the Athletic Department. With an excellent staff and state of the art equipment, the trainers are able to keep Davidson's athletes healthy and productive. Their duty does not simply end with taping ankles and applying ice. Often trainers can be found driving vans to Away games and returning late in the night with their teams. Head Trainer Chuck Voyles leads this crew with assistance from several people. Scott and Jennifer are the Assistant Trainers, and James and Tim served as the GA's for the year, along with ten student trainers. All together, they do an excellent job of serving Davidson's Sports Medicine needs from the club up to the Varsity level.

Top Left Chuck works to get Paul's knee back in shape
 Left This Wildcat player is tended to on the sidelines by one of the student trainers
 Above The Davidson Sports Medicine crew examines another wounded Wildcat

Club Sports

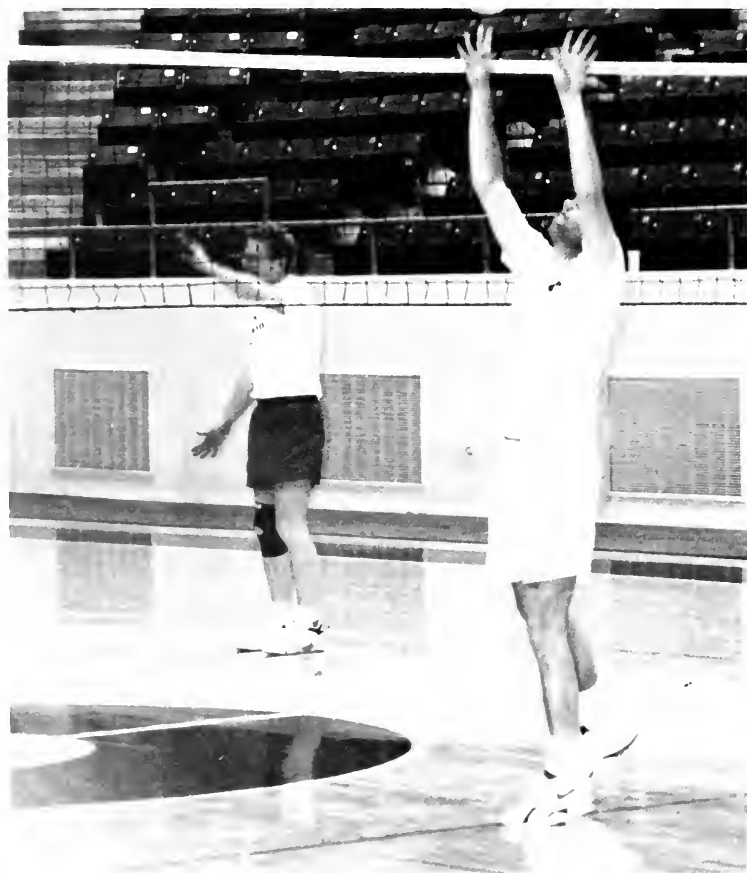

In the past few years Club sports have proven themselves to be an integral part of Davidson athletics. By maintaining club teams in several sports, Davidson gives its students a greater opportunity to participate in intercollegiate athletics. Students choose to participate in Club sports for a variety of reasons. Some like the smaller schedules of the club teams because they do not have the time required for a sport on the varsity level. Others participate for exercise, just to release some stress, or to learn a new sport.

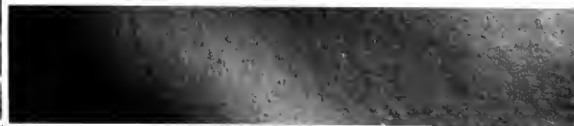

This year a new team was added as a Club Sport: Women's Lacrosse. Coached by the Assistant Varsity Field Hockey Coach Betsy Brown, approximately half of the team is comprised of freshmen. The first scrimmage of the season was played against Duke on March 1st and was followed by games against UNC, UNCG, NC State, Wake Forest, and Guilford College.

Other Club sports include soccer, rugby, tennis, waterskiing, and sailing.

Above: Al Gaines slams one home!
 Top Right: I.M.A.C. volleyball was a smashing success.
 Right: Bobby Bowers goes up for two.

Athletic Administration

The past year has seen many exciting changes for the Athletic Department. As Davidson prepares for its move back into the Southern Conference, Terry Holland and the rest of the Baker Sports Complex crew are striving to make Davidson athletics more visible on a national scale.

One impressive accomplishment for the Athletic Department has been getting NCAA approval to host the 1992 & 1993 Men's Soccer Finals. Thanks to the hard work of the Marketing Department and Coach Charlie Slagle, the NCAA selected Davidson as the host over several other sites. Richardson Field has already been widened and lights have been added so that night games can be played. Additional seats will be added to increase the stadium's capacity to over 6,000. It is hoped that this soccer tournament will generate exposure for Davidson's entire athletic program.

The move back into the Southern Conference is another important step for several

sports. Having rivals such as Marshall and Appalachian State back on Davidson's schedule should create more excitement for many different sports. Better competition and possible NCAA tournament appearances offer incentive for several sports. The starting of a Women's Basketball program also accompanies this conference switch. With Coach John Filar leading the program, the Wildcats hope to see this team grow and improve.

Other changes during the year included the dedication of the pool and the hosting of the Southern State Swim meet. The golf team has also hosted tournaments out at the new River Run golf course. The track program also received a boost when Lee Sargent was appointed head of a committee to develop a new track facility. With this project and others in the works, the sports administration is showing a commitment to making Davidson athletics first class.

CAN Exist Without You!
Love, Mom, Dad, and
Nathan

**I always knew you
could
do it! Congratulations!
Love, Mom.**

**Stewart Holt:
Dad would have been so proud!
His dream came true.
I love you very much!
Mom**

**To — My Better Half,
“What made us friends
in the long ago
when first we met?
I think I know.
The best in me
And the best in you,
Hailed each other
because they knew
that always and always,
since life began
Our being friends was
Part of God’s plan”**

Love — T.C.

— George W. Douglas

**We Love You
Frannie Abernathy**

Congratulations!

Brendan Micheal O'Sullivan

Ad Astra Per Aspera

If You Compare Yourself With Others, You May Become Vain Or Bitter. For Always There Will Be Greater And Lesser Persons Than Yourself. — Desiderata

May You Always Have A Blue Couch Upon Which To Dialogue And May The Old Man In The Rocking Chair Ever Remind You Of The Meaning Of Success.

Love, Luck And Blessings To Our Beloved Son, Brendan Micheal O'Sullivan, In Whom We Are Most Pleased. To The One Who Is "Half-Polish, Half-Irish And All American Carpe Diem.
Mom & Derrill

This is the time to
remember
'Cause it will not last
forever
These are the days to
hold onto
'Cause we won't although
we'll want to
This is the time . . .
The time is going to
change.

CHRISTY, VIRGINIA, CAROLYN, CATHERINE

Thanks Jean
